Contributions or gifts to InsurPac are not deductible as charitable contributions for purposes of federal income tax. Federal law requires us to use our best efforts to collect and report the name, mailing address, occupation and employer for each individual whose contributions aggregate in excess of \$200 in a calendar year. Contributions to InsurPac are used for political purposes. Contributions are voluntary and you may choose whether or how much to give without concern of favor, disadvantage, or reprisal by IABA, InsurPac, or your employer. You may not be reimbursed for your contribution. Contributions from corporations and foreign nationals (non-US citizens or those without a green card) are prohibited. The suggested contribution levels shown above are merely suggestions, and you may contribute more or less (up to \$5,000 per year) than the suggestions, and InsurPac will not favor or disadvantage anyone based on how much or whether they give.
