

## **ADR STANDING ACTION TEAMS**

### **Membership /Outreach**

One of the goals is to raise awareness in the ADR community of all that the ADR Section has accomplished and that the Section has to offer. This Team also seeks to increase ways to meet the needs of ADR professionals and thereby increase the number of members and affiliates in the Section who will want to join in the very beneficial work of the Section. Outreach seeks to increase Section membership and has developed an ADR Section brochure. Outreach also seeks to increase awareness among the public in general, attorneys, businesses, schools, and governmental entities and agencies about what ADR is and its benefits.
