

TEAM NAME: Judicial Access

2008-2010 areas of responsibility:

Consistent with its mission statement, JAT will be responsible for focusing on advancing ADR with the judiciary of this state. JAT will continue to develop strategies and methods for the utilization and implementation of ADR by courts through the dissemination of information about the use and benefits of ADR to courts and local bar associations.

METHODOLOGY:

Proposed Objectives	Progress Report
1: "Road Show" – refine materials, train presenters and market the program.	
2: "Bench book/Primer" – solicit Judicial input, develop, and produce a primer for Judges on effectively utilizing and implementing ADR.	
3: collaborate with SCAO to develop, promote and implement court ADR programs.	
4: develop a strategy and policy to achieve greater involvement by and support from the Michigan Supreme Court in the promotion and use of ADR methods throughout the state for recommendation to the full Council.
