

TEAM NAME: Publications

2008-2010 areas of responsibility:

Manage the communication from the Section to its members and affiliates

METHODOLOGY:

Proposed Objectives	Progress Report
1: provide timely Quarterly publication of substantive materials and information to members and affiliates	
2: review & edit, as necessary, other materials and documents disseminated on behalf of the Section to members and affiliates	
3: manage the Section's "announcement-only" listserv to members and affiliates	
4: monitor and manage the Section's "interactive" listserv of members and affiliates	
5: explore feasibility of distributing Quarterly electronically only as requested by members/affiliates	
6: manage the recruitment and editing of articles for the assigned 2010 edition of the SBM Journal	
7: propose method for keeping members/affiliates apprised of key Council accomplishments
