2. Jim Spica is proposing legislation regarding Private Trust Companies.

3. The Chair reported that the Uniform Law Commission has adopted a Uniform Law on electronic Wills.

C. Committee on Special Projects (Katie Lynwood)

Katie Lynwood and Georgette David presented on proposed legislation regarding Transfer on Death of Motor Vehicles or Personal Watercraft. The committee will continue to revise the proposal based upon the discussions during CSP.

D. Legislative Analysis & Monitoring Committee (Dan Hilker)—

Dan discussed developments with the Elder Abuse Task force; in particular the task force appointed a subcommittee to review Powers of Attorney with a view toward increasing acceptance of a Power of Attorney and avoid exploitation under a Power of Attorney.

Dan further discussed the concern of Banks regarding acceptance of Durable Powers of Attorney, particularly a Bank does not know if the DPOA is still valid; Banks will not accept forms that are not drafted by an attorney; and the Banks do not feel protected from liability.

Dan noted that the Banks were supportive of a concept requiring a Cover Sheet reflecting a summary of the DPOA. Dan notes that the Bank favors the concept of uniformity and the Cover Sheet may assist in this regard.

Dan also noted that the Uniform Power of Attorney Act (UPOAA) has been considered by past Councils and rejected.

The participants discussed the concept of use of a uniform Cover Sheet summary. Concern was expressed about the effect of the Cover Sheet summary on the actual DPOA. The concept of using a statutory form rather than a Cover Sheet summary was also discussed.

Dan also discussed the issue of gifting within the DPOA. The concept discussed was to provide more extensive requirements regarding gifting provisions in the DOPA and in the proposed summary, or certification. Dan discussed the concept of adopting legislation which restricts gifts by an agent under the DPOA.

The Chair requested that Dan continue to work with the committee and come back to Council with a proposal.

E. Legislative Development and Drafting Committee (Nathan Piwowarski)

No report was made.

VI. Other Committees Presenting Oral Reports

VIII. Other Business
