

REAL PROPERTY LAW SECTION LEGISLATIVE REPORT

May 7, 2018

Catharine LaMont, First American

GENERAL LEGISLATIVE BACKGROUND

The Legislature is working on finalizing budgets for the majority of May. Both chambers have reported their respective budget bills out of subcommittee and full chamber. There will be a revenue estimating conference this month to establish targets for the final budget to be fully agreed upon by early June.

In other issues in Lansing, the legalize marijuana ballot initiative received enough signatures to establish a place on the ballot in November's election. The Senate and House republicans are currently considering taking up this issue before November.

The Senate and House have been taking up many real property issues in the last two weeks, we expect this to continue until the end of the spring session in June.

LEGISLATION EXPECTED TO BE INTRODUCED THIS SESSION

Assignment of Rents Amendment – In light of Town Center Flats, L.L.C. v ECP Commercial II LLC, 855 F3d 721 (6th Cir 2017), the Debtor/Creditor Rights Committee of the Business Law Section concluded

that the statute should be amended to include, among other things, to prevent the enforcement of an assignment of rents from being deemed a preferential transfer, require the assignment of rents to be released upon satisfaction of the underlying debt, and providing for the application of the assigned rents and some accounting by the assignee of their use. The Committee reached out to RPLS for possible assistance in the effort. Rachel Foster of Varnum Riddering and the Commercial Development and Finance Committee, has agreed to coordinate with the Committee to explore what role we may wish to play. The group involved in drafting has not started yet, but sense a need for representation by the real property practitioner's bar. Once that Committee has completed its work, they will reach out for approval from the Business Law Council and hopefully RPLS to support and advocate the legislation with legislators.
