

Real Estate Outlook 2027
Iroquois Club
Bloomfield Hills, Michigan
October 29, 2026

Breakfast: 8:00 a.m. Speaker: 8:30-9:15 a.m. Roundtables: 9:15-10:15 a.m.
Registrants can attend 2 one-half hour round table sessions

Program Chair: Kayleigh Long, Hirzel Law

Speaker: Paul Traub, Economic Consultant for ACT Research

The program will kick off with an economic overview presented by Paul Traub, Economic Consultant for ACT Research, who has extensive state and local fiscal experience as a former Senior Business Economist with the Detroit branch of the Federal Reserve Bank of Chicago and Chief Economist with Chrysler. He will offer insight into the current economic environment and its impact on Michigan's economy, including the evolving AI and real estate sectors. Roundtable discussions will then take place with experienced attorneys who will focus on a range of hot topics in real property and real estate law. Participants will be sure to take away new insights into today's ever-changing real property law landscape.

Roundtables:

AI Policies for Real Estate Attorneys

Jordan Segal, Maddin Hauser

Michigan State Housing Opportunity Tax Credit

Roy Greenia, Michigan State Housing Development Authority (MSHDA)

Data Centers

Sam Kilberg, Dykema

When you Can't Believe Your Eyes – Faud, Cyber Fraud, Deepfake Fraud

Alyssa Locey, FNF – Family of Companies

21st Century Road to Housing Act
