**Support with Recommended Amendments****Explanation:**

Motion to Approve Public Policy Position on Atty Conducted Voir Dire, submission of letter to MSC, and approve testimony at public hearing summarized as:

The proposed rule revision is a step in the right direction, but could be improved upon. The best change would be if the rule simply stated that the court must let the lawyers conduct voir dire. While favoring the rule, the section supports revising the change in subpart (a) – if the court conducts voir dire, it must allow the lawyers to ask further questions that the court considers proper AND respectfully states an opposition and concern over subpart (b) that would require all f/u questions to be filtered through the judge, as currently written.

The proposed changes are to MCR 2.511 and 6.412.
