  - a. Discussion on current state of finances.
3. 2022 Bar Leadership Forum Attendance, June 10-11 Approval
  - a. Discussion regarding the leadership forum which will be held on Mackinaw Island. After review and discussion, a motion was made by Sinkwitts and seconded by Sadler, to reimburse Schebor up to \$2,000 for expenses incurred for attending the leadership forum, if he is able to attend. Motion approved.
4. Administrator's Report (Parks)
  - a. Recently worked on the Clearing the Air conference which was held on April 14th, and now switching to the Summer Program. Also still working on making sure that everyone is receiving Constant Contact.
5. Chair's Report (Sadler)
  - a. Nothing to report, other than the summer program, which discussion transitioned into next agenda item.
6. Summer Conference, June 9, Michigan Wildlife Center
  - a. Still fleshing out the topics. A discussion on the title was discussed. Another program committee meeting is scheduled for next week.

7. Subject Matter Committee Reports
  - a. Air (Kissling/Collins)
    - i. No report. Parks stated that we are still working on the amount of revenue generated for it and final registration numbers.
  - b. Hazardous Substances and Brownfields (Enright/Maloof)
    - i. Enright mentioned that they are working on a webinar. Originally considered doing one in May, but may move it back so it does not conflict with Summer Program.
  - c. Natural Resources, Energy and Sustainability (Sadler/Lundgren)
    - i. Sadler mentioned that nothing is currently scheduled.
  - d. Great Lakes and Inland Waters (Schroeck/Hammersley)
    - i. Hammersley stated that they are currently working on a water themed issue for an upcoming SBM Journal. Have two great articles in it. One is on PFAS and the other is on Great Lakes shoreline issues and where the public trust has evolved.
  - e. Environmental Litigation & Admin Practice (Steiner/Kearney)
    - i. No report.
8. Standing Committee Reports
  - a. Desk book (Haynes/Martorano)
