

Clearing the Air 2020: Know the Air Issues Impacting Your Business

Manufacturers must comply with an ever-changing number of air regulations all while trying to compete with companies in other states and in low-cost locations around the world.

Join us for the annual Clearing the Air program on Thursday, 4/16/20, in Lansing to keep your regulatory managers informed of the air-related issues that could increase costs or reduce competitiveness.

Sessions

Keynote

Speaker:

- Liesl Eichler Clark, director, Michigan Department of Environment, Great Lakes, and Energy (EGLE)

Successfully Navigating the Air Permitting Process
