4. Accomplishments Toward Committee Objectives.

5. Meetings and Programs.

Due to COVID-19 precautions and the Stay-Home Executive Orders, including the shutdown of law school classes, various proposed activities.

Upon the lifting of the various COVID-19 restrictions and the normal resumption of student instruction, the Committee hopes to have the panel discussions and presentations to Wayne State Law School and University of Detroit Mercy Law School to continue on an annual basis. Further, the committee would like to expand this to other law schools in the State.

On November 9, 2022, members of the Law Schools Committee of the Business Law Section, and other Members of the Section participated in a Speed Networking Event held by the Business Law & Securities Institute. The event was attended by approximately 15 attorneys and up to 25 students. The event seemed well received and gave mostly Year 1 Law Students to network with Business Law attorneys regarding a variety of topics on a more personal basis.

As Chair of the Law Schools Committee I also participated in a video (zoom) conference with two members of the Business Law Society of Wayne State University Law School. They are interested in having some type of event during the 2nd Semester (in 2023). We discussed various ideas

and options and I will be working with them to assist in planning and event for their students in 2023.

6. Publications.

We have published no articles at this time.

7. Methods of Monitoring Legislative/Judicial/Administrative Developments and Recommended Action

We do not regularly monitor decisions or activities in the Michigan legislature of the U.S. Congress.
