

REGULATION OF SECURITIES COMMITTEE
REPORT PREPARED FOR THE JUNE 5, 2024 COUNCIL MEETING

4. Accomplishments Toward Committee Objectives.

The Committee met on February 13, 2024 and after that on various dates through May 6, 2024 relative to filing an amicus curiae brief in the Michigan Supreme Court in *LA Developers LLC and David Byker, Petitioners-Appellants, v Department of Licensing and Regulatory Affairs—Corporations, Securities, and Commercial Licensing Bureau, Respondent-Appellee*, (SC: 165824; COA: 358656; Kent CC: 20-002976-AA). The filing of an amicus brief was approved by the Council at its March 7, 2024 meeting. The amicus brief was filed with the Michigan Supreme Court on May 10, 2024. The position taken was to uphold the decision of the Michigan Court of Appeals. The State Bar staff will post the amicus brief on the Business Law Section webpage.

The filing of the amicus brief follows from the Michigan Supreme Court's order for the parties to file supplemental briefs addressing: (1) whether the five-factor test of MCL 451.2102c(c)(i)(A)-(E) is to be applied when determining whether a promissory note is a "security" as that term is defined under MCL 451.2102c or, alternatively, (2) whether the test to be applied is the "family resemblance test" announced in *Reves v Ernst & Young*, 494 US 56 (1990). The Court's order invited the North American Securities Administrators Association, Inc. and the Business Law Section of the State Bar of Michigan to file amicus briefs.

I wish to acknowledge the contributions of Committee members Matt Allen, Shane Hansen, and Cy Moscow, together with our pro bono legal counsel Jason Killips.
