

**AD HOC COMMITTEE ON CLIMATE CHANGE AND SUSTAINABILITY
REPORT PREPARED FOR THE SEPTEMBER 24, 2009 COUNCIL MEETING**

Submitted by Diane L. Akers, Chair

1. Next Scheduled Meeting of the Committee

No meeting has presently been scheduled.

2. Council Approval

The Council of the Environmental Law Section has suggested that it would be worthwhile to appoint a liaison between the Business Law Section and the Environmental Law Section. The liaison would attend Council meetings of both Sections and would facilitate communication and planning.

R. Craig Hupp, who is a member of the Environmental Law Section Council, will attend the BLS Council meeting and will comment on this suggestion.

3. Membership

The Committee currently has 15 members, all of whom actively participate.

4. Accomplishments Toward Committee Objectives

None since the Earth Day symposium on climate change.

5. Meetings and Programs

The committee plans to make the symposium an annual Earth Day event.

6. Publications

Materials from the symposium have been available on the Section's web site.

7. Legislative/Judicial/Administrative Developments

None.

8. Miscellaneous
