### Business Boot Camp is Returning

The popular Business Boot Camp I is returning in September. Business Boot Camp I offers nine sessions, two hours each, taught by outstanding experts, every one a leader in the field. The Directors of Training are all former chairs of the Section, Jeffrey Ammon, Timothy Damschroder, and Daniel Minkus, who have put together another outstanding faculty. The presenters handle the matters they'll be talking about day in and day out. Get to know them. Learn from them. Build your practice to become one of them! They will share the secrets of their success with you! Business Boot Camp I means minimal time out of the office. Attend once a month for nine months early in the morning reducing your non-billable time. It's exciting. It's innovative. It's practical. And, it's affordable.
