LIAISON TO INSTITUTE OF CONTINUING LEGAL EDUCATION ("ICLE")
Report prepared for Business Law Section Council Meeting

March 6, 2008

ICLE has the following business law programs which are scheduled or planned for this year:

- *Bankruptcy Basics and Hot Topics* on April 22, 2008 in Plymouth. This will be a half-day Partnership seminar beginning at 9:00 AM.

- *Ten Things Every Lawyer Should Know about Nonprofit Corporations* on May 6, 2008 in Ann Arbor. This will be a 2.5 hour Partnership seminar beginning at 9:00 AM.

- *Representing the Celebrity* (co-sponsored with the ACES Section) on May 29, 2008 in Plymouth. This will be a half-day Partnership seminar beginning at 1:30 PM.

- *20th Annual Business Law Institute* (co-sponsored with the BLS) on June 13 and 14, 2008 in Dearborn.

- *Creditors' Rights 2008* on June 19, 2008 in Plymouth. This will be a full day Partnership seminar beginning at 9:00 AM.

- In Fall 2008, ICLE is planning to hold an event with Cy Moscow and Hugh Makens discussing the new Michigan Securities Act.

- If there is enough demand, Business Bootcamp 1 will start again in September 2008.

- *3rd Annual Family and Closely Held Business Institute* (proposed to be co-sponsored with the BLS) on October 16, 2008 in Plymouth. This will be a full day Partnership seminar beginning at 9:00 AM.

ICLE is also interested in programs that the BLS is planning. On February 27, Jeff Kirkey of ICLE and I discussed three programs that Cynthia Umphrey is planning for the Small Business Forum in 2008. There appeared to be little overlap between the programs that she is planning and those that ICLE currently has in the works for 2008.

Jeff Kirkey will contact me in about a month to give me information about additional seminars that ICLE plans to hold later in 2008 and in early 2009.

Respectfully submitted,
