

LIAISON TO INSTITUTE OF CONTINUING LEGAL EDUCATION ("ICLE")  
Report prepared for Business Law Section Council Meeting

May 8, 2009

Jeffrey Kirkey advised me that ICLE made the following changes to the ICLE seminars for which the Council approved BLS co-sponsorship at the March 19, 2009 meeting:

- **Succession Planning & Business Valuations in Today's Economy - originally scheduled for December 3, 2009 in Plymouth**

ICLE is no longer going to offer this seminar; it has been dropped.

- **Tooling in Troubled Times - originally scheduled for September 24, 2009 in Ann Arbor**

The seminar date has been changed to October 8, 2010, but will still be held in Ann Arbor.

The seminar on the amendment to the Michigan Uniform Securities Act that was approved for co-sponsorship at the BLS meeting on March 6, 2008 with a date to be confirmed has been scheduled for October 1, 2009 at the St. John's Conference Center in Plymouth as an afternoon seminar.

ICLE is not requesting any additional BLS co-sponsorships at this time.

Respectfully submitted,
