Please note that the Enactment Date does not necessarily reflect the effective date. Please refer to the applicable statute for the relevant effective date.

Our thanks to John McCabe and Katie Robinson at the National Conference of Commissioners on Uniform State Laws ("NCCUSL") for their help in compiling the information above. These revisions are based on information provided by NCCUSL available as of February 1, 2005.

1. In addition to enactments noted below, all states and the District of Columbia have adopted (i) the 1995 Official Text of Article 5 of the UCC, other than Wisconsin, (ii) the 1994 Official Text of Article 8 of the UCC and (iii) the 1998 Official Text of Article 9 of the UCC.
2. New York and South Carolina are the only states that still have the 1951 version of Articles 3 and 4.

The editors wish to express their sincere and belated gratitude to Linda Hayman at Skadden, Arps, Slate, Meagher & Flom, LLP, and her teams of able assistants, for updating and providing the UCC Scorecard for every issue of the Commercial Law Newsletter.
