

**Massachusetts Board of Public Accountancy
Educational Requirements for the CPA Exam
Course Evaluation Checksheet**

Course Coverage Information

Accounting Courses	<i>Title</i>	<i>Course No.</i>	<i>Where taken</i>	<i>Sem Taken</i>	<i>Sem. Hrs.</i>	<i>Documentation Provided*</i>
Auditing						
Financial Accounting						
Taxation						
Managerial Accounting						
Other Accounting						
Other Accounting						
Other Accounting						
Other Accounting						
Other Accounting						
Total Semester Hours Earned (min. req'd 30 undergrad/18 grad)						

- Candidates with a graduate degree in accounting from an approved program do not have to report specific accounting courses taken.
- Candidates with a graduate degree in business or law or bachelor's degree in business are required to have coverage in each of the first four areas listed above.
- Candidates with a bachelor's degree in a non-business area must have a three-semester hour course in each of the first four areas listed above.

** Documentation is required only if the course title is not an obvious indicator of the subject areas covered. Please do not assume that CPA Examination Services will know details of subject coverage, particularly if the course title does not clearly relate to the subject requirement. You may need to support a course classification with material from a college catalog or course syllabus.*
