

CALL FOR EXHIBITORS

Sustainable Process Industries

February 26 – 28, 2024
Crowne Plaza Hotel
Baton Rouge, LA

**Reserve a Booth
in the Global
Solutions Marketplace
to Reach Key Process Industry Influencers**

MTI's Global Solutions Symposium brings together key engineers, decision makers and leaders from world class chemical producers, suppliers and organizations around the globe. MTI's focus is on solving challenges in materials technology for industrial processing companies to improve safety, sustainability and reliability.
