 **Global Solutions**
SYMPOSIUM > 2026

ADVANCING SAFETY, SUSTAINABILITY AND RELIABILITY OF PROCESS INDUSTRIES

Bring your cutting-edge research, innovative strategies, and practical solutions to share with the Process Industries at the MTI 2026 Global Solutions Symposium!

The Materials Technology Institute invites individuals within the Process Industries to submit abstracts for technical presentations or case studies, and the option to publish a technical paper, focused on any of our session topics. Don't miss this opportunity to influence industry practices and engage with a diverse audience of professionals!

To submit abstracts, scan the QR code or visit
www.mti-global.org/mtisymposium/submit-abstract

Submission Deadline: July 3, 2025.

TECHNICAL SESSION TOPICS

Emerging Technology

- Additive Manufacturing
- AI
- Decarbonization
- Other

Safety/Reliability

- Materials engineering roles in Safety and Reliability
- Piping and pressure relief systems
- Missing documents for code vessels
- Lifecycle costs
- Other

Failures and Failure Analyses

- High/Low-Temperature corrosion
- HTHA Attacks
- Erosion Corrosion
- Decouple Technologies
- Other

Materials for Harsh Environments

- Wear-resistant Materials/Coatings
- Corrosion-resistant Materials/Coatings
- Materials Recycling
- Other

Non-Metallics

- Polymers
- Refractory
- Elastomer
- Other

NEW IN 2026!

Speakers are invited to publish a technical paper in conjunction with their presentation (not required).

ABSTRACT SUBMISSION GUIDELINES

All abstracts must include the following details:

- 100–200 words
- Relevant title
- Clearly outline the presentation topic and scope
- Length fills 30 or 45 minutes, including Q&A
- No commercial or marketing content
- Speaker contact information: name, title, company, email and phone
- Abstract Deadline: July 3, 2025

EXHIBIT SPACE AVAILABLE

Includes 6 ft. table, 2 chairs, power, cords and 2 registration, email kritchardson@mti-global.org for more information.

For complete requirements, expectations and to submit an abstract, please scan the QR code or visit www.mti-global.org/mtisymposium/submit-abstract
