The Community

Broadview is small town America with 200 residents who cherish community involvement and support with family values and students who have a strong work ethic. A hidden treasure for education with city amenities just minutes away. The successful candidate will have use of a four bedroom, two bathroom home with a two car attached garage on a nicely landscaped yard. This home is located just two blocks from the Broadview School.

Broadview is served by local businesses. Danny’s offers fuel and a convenience store, and the Homestead Inn provides bar and restaurant services. CHS is the local farm supply co-op and B&B Ag Supply supports the local farmers as well. PFD Enterprises will handle any vehicle or tire repairs saving a trip to Billings while offering better service. Ten minutes away is the 3 North Steak House.

The surrounding community is based in dry land farms and cattle ranches. Due to our proximity to Billings, Broadview has a portion of our student base who reside on the outskirts of Billings. Their parents, mostly from rural backgrounds, want the benefits of a rural school environment for the opportunities provided in a positive learning environment.

Students are involved in BPA, FFA, 4-H. The athletic cooperative is strong with Lavina and provides opportunities in football, volleyball, basketball, and track, cheerleading and pep band.

The school is the hub/center of the community which draws students from Broadview, Comanche, Acton, and Molt. As the focal point of the community there is always support for the Little Pirates game, a varsity tournament game, a music concert, or a graduation ceremony—the community always shows up in support of our children.

Our community has generational families who are welcoming. A tenured staff who are focused on educating our students. The Superintendent position will offer an opportunity for the right person to interact with students and engage in the community.
