

REMOTE LEARNING SURVEY

In accordance with [Governor Bullock's 3/19/20 Directive](#), education stakeholders MT-PEC and OPI have created a survey to determine the status of planning efforts as well as the extent to which schools are already providing remote learning, meals, services for students with disabilities, and other services customarily provided to students in school. Please share the plans you and your staff have made in these areas by completing the [Montana School District Plans to Create Remote Education Delivery and Services to Students in Our Public Schools Survey](#). The information will be compiled and shared with the Governor per the March 19, 2020 Directive. **Please complete the survey by Friday, April 3, 2020.** The [Governor's 3/24/20 Directive](#) extending the school closure to April 10, 2020 validates the importance of completing this Survey on behalf of your school system.

For your reference, the following resources were created by MT-PEC to assist you in your planning:

- [Instructions for COVID-19 Plan for Montana Schools](#)
 - [Model COVID-19 Plan for Montana's Schools \(Word doc version\)](#)
