Montana School District ARP ESSER Plans

Federal Requirement

The US Department of Education (USED) required the OPI to establish a process for district plans consistent with the ARP ESSER requirements for the use of ARP ESSER funds and ensure plans be made available to the public, within no later than 90 days after a district received its ARP ESSER allocation (August 24, 2021). The requirements for the school district plans include, at a minimum, how districts will:

1. use funds to implement prevention and mitigation strategies;
2. use the funds totaling not less than 20% to address lost instructional time;
3. spend its remaining 80% of ARP ESSER funds;
4. respond to needs of student disproportionately affected by the pandemic; and
5. meaningfully engage with and consult stakeholders in crafting their plans.

Each of these federally required components are embedded into this school district ARP ESSER plan.

In addition, the USED requires the OPI to support and monitor each school district's use of ARP ESSER funds, including:

- i. implementation of evidence-based interventions;
- ii. address the student groups specifically that were disproportionately impacted by the pandemic; and
- iii. identify, reengage, and support students who have experienced the impact of lost instructional time.

The plan will provide the information necessary for the OPI to support and monitor school districts as they move forward.

State Components

Throughout this school district ARP ESSER plan, the OPI has emphasized local control and coordination of state initiatives and requirements so that school districts can identify and innovate solutions for unique local needs and priorities. These components are embedded in the school district ARP ESSER plan. Additionally, the OPI will seek flexibility from the Board of Public Education to use the Goals section of this plan in place of the Continuous School Improvement Plan (CSIP).

This template will guide the development of the school district's (LEA's) ARP ESSER plan.

The template sections are as follows:

1. School District-Identified Priorities
2. Meaningful Consultation
3. Goals
4. Coordinating Funds
5. Creating Safe and Healthy Learning Environment
6. Addressing Lost Instructional Time
7. Supporting the Educator Workforce
8. Monitoring and Measuring Impact of ARP ESSER funds

Prior to beginning your school district ARP ESSER plan, consider the following:

- Has your district and/or individual schools within the district completed a Gap Analysis to assist in identifying the top needs due to Covid 19? If no, click on [Gap Analysis](#).
- What kinds of data assisted you in identifying the gaps?
- What were the needs you identified in your subgroups?
- Did you meet with all stakeholders to get input on needs and possible solutions to formulate a plan for the funds? (Parents, Students, Teachers, Staff, Community Members, Tribal Members, School Board, etc...) If not, how will you make this happen prior to creating your plan?

Instructions for completing your school district ARP ESSER plan

- When you reach a stopping point, click Next to save your work. Return anytime before August 24 to finish your submission.
- When you're ready, click Submit at the end of the plan.
- After you click Submit, your responses will display in a PDF file. Download the PDF file.
- Upload the PDF file of your responses to your district's webpage.

Note: The option to edit is no longer available once the plan is submitted by clicking the Submit button. If you click Submit and then determine later that you need to make changes, contact OPITeams@mt.gov.

While completing your school district ARP ESSER plan, consider the following:

- What would you like to achieve before the funding ends in September of 2024?
- What goals will need to be established in order to get there?
- You may need to leave and come back to this form as you formulate your plan.
- You will still need to complete the eGrants application for ESSER III that is due September 1, 2024. It is important that you complete your district ARP ESSER plan by the deadline.

September 1, 2021. It is important that your school district ARP ESSER plan aligns with the budget amounts reported in eGrants.

Resources to help with completing your plan

- [SEL Priorities](#)

Next Steps:

- The OPI will confirm your submission via the email you provide at the start of your plan.
- The OPI will reach out with questions and support as needed.
- Districts will need to set up their own monitoring which needs to be paired with implementation.
- Districts will be able to answer these same question every 6 months. The OPI created this temporary form as a means to meet the federal timelines; it will be put in a more permanent location where you can access and update your plan.
- The OPI will use this form to collect best practices to share with other districts.

Please choose your county and district from the dropdown.

County

District

Who is submitting this form?

Please indicate your role in the district.

- District-level Administrator
- Principal
- Other (Please identify your role in the box below)**

below.)
District Clerk

What is your official school district email address?

cottonwoodclerk@gmail.com

What is your school district phone number?

406-265-9488

1. School District-Identified Priorities

Please provide the top priorities the school district has determined as the most pressing needs for students and schools within the school district as a result or in response to the COVID-19 pandemic. You may elect between 1-3 priorities by checking the box and providing the text response.

Priority 1

Offer social-emotional, mental health, and monetary support for staff that work for the district. Each staff member has taken on an extra workload since the COVID-19 pandemic began. Some were required to work every day on a Zoom call with their students, and work on school responsibilities from home for several weeks, other staff members were given extra duties to ensure the safety of students while we conducted in-person instruction. Retain support staff, teachers, paras, janitors, bus drivers and district clerk with premium pay for out-of-contract work requirements. Use ESSER funding to help maintain or improve student mental health. ESSER funding can be used to pay for fees associated with counseling programs or a licensed counselor. Each student has been impacted mentally and emotionally due to the COVID-19 pandemic. Funding from the ESSER grant can help purchase counseling programs that the teachers can utilize in the classroom. Or, funding from the grant can help cover the cost of using a licensed counselor who is qualified to help students overcome the challenges caused by the COVID-19 pandemic.

Priority 2

Use ESSER funding to purchase an adequate amount of updated technology, and provide payment for online-learning formats. Each teacher and paraprofessional should have a laptop that they can use for schoolwork. In addition to teachers and paraprofessionals having updated technology, student laptops need to be updated as well. Student laptops are becoming outdated, and there are not enough for each student. In the event that we transition back to online learning, we need to be able to offer each student the technology needed to be successful for online learning. In addition, ESSER funding can be used to pay for fees associated with online learning. This may include fees from Zoom, Google Classroom, or compensating staff and families for using personal WiFi to complete schoolwork. Provide staff and families with appropriate teaching technology/instructions to provide for virtual learning.

Priority 3

Provide a COVID-free environment through the purchase of PPE for the school and provide for families that are unable to purchase PPE devices such as face masks and hand sanitation. Create a clean air and heat exchange to replace a failing boiler system in the school.

When you identified each of your district's priorities, what data points did you use? Please list any and all data sources, such as attendance, interim assessments, surveys, etc.

Online attendance and teaching was tedious due to outdated technologies.

Please indicate which of the following student groups specifically referenced in ARP ESSER were more affected than others in your district. Choose all that apply.

Economically Disadvantaged (Free and Reduced Lunch)

White

Black or African American

American Indian or Alaska Native

Multi-Racial

Migrant

Homeless

Foster Youth

Children with Disabilities

Male

Female

English Language Learners

Other (please identify in the box below)

2. Meaningful Consultation

ARP ESSER requires school districts to consult with a wide variety of stakeholders when developing a plan. Please select all of the following groups of stakeholders your district consulted and/or plans to consult.

Parents

Students

Teachers

Staff

Tribal

- governments
- Local bargaining units
- Educational advocacy organizations
- County health departments
- Community members
- Other (please identify in the box below)

What method(s) did you use to seek stakeholder input? Choose all that apply.

- Webinars
- Public meetings**
- Website
- Media
- Social media
- Email**
- Other (please identify in the box below)

3. Goals

Goal Action Plan:

Please define your Math goal, English Language Arts (ELA) goal, and other goal, based on the priorities you identified.

Explain what instruments or methods will be used to monitor the progress of the goals and determine if the goals are met. Click the box and provide the text response for each applicable box.

Math Goal

The goal for math is to have at least eighty-percent of students performing at or above grade level by the end of the 2021-2022 school year. To monitor the progress of goals, formative and summative assessments (supplied by our math curriculum), recording and tracking grades to monitor the progress of goals. To determine if goals are met, standardized test results, Smarter Balance State assessment and end-of-year reports.

ELA Goal

The goal for ELA is to have at least eighty-percent of students performing at or above grade level by the end of the 2021-2022 school year. To monitor the progress of goals, formative

and summative assessments (supplied by our ELA curriculum), recording, Smarter Balance State assessment and tracking grades will be used to monitor the progress of goals. To determine if goals are met, standardized test results and end-of-year reports will be used.

Other Goal (For example, SEL, Mental Health, Graduation Rates, Recruitment/Retention, Professional Development, Community and Family Engagement, etc.)

To provide a safe and stable environment for students, families and staff. (1) Give emotional and mental support to families, students and staff to avoid stress and burnout. (2) Engage families through virtual learning. (3) Involved all stakeholders in school COVID plans. These goals are mandated by Montana Small School Alliance. To track this goal, we will use conferences with students, formative and summative assessments during social/emotional learning lessons, and conferences with families, students, staff and to collect the progress of each student.

Goal Action Plan, Part 2:

Identify what strategies/action steps will be used to support the achievement of the goals. Describe a realistic and achievable timeline to achieve the goals.

Identify who is responsible to ensure the strategies/action steps are achieved.

Click the box and provide the text response for each applicable box.

Math Goal Strategies, Actions, Timelines, and Assignments

Goals: To achieve the math goal, teachers will use updated curriculum, formative assessments, summative assessments, tracking and recording grades, and standardized assessments. Cottonwood School will use our math curriculum and supportive materials to track student knowledge in these ways: (1) Use interactive digital sources. (2) Drill and practice.(3) Adapt lessons to each student. (4) Paraprofessionals and teachers use teamwork to help students reinforce skills. Timeline: 2021-2022 School year and summer scheduling if needed. For each timeline, teachers can use quarterly grade reports to monitor student progress. Teachers at both schools would be responsible for ensuring the achievement of these goals.

ELA Goal Strategies, Actions, Timelines, and Assignments

Goals: To achieve ELA goals, teachers will use updated curriculum, formative assessments, summative assessments, tracking and recording grades, and standardized assessments. Cottonwood School will use our ELA curriculum and supplements to track student knowledge. We will track student knowledge in these ways: (1) Use offline and digital resources, (2) drill and practice, (3) individualized lessons, (4) use of online sources to help reinforce topics and skills. (5) Paraprofessionals and teachers use a teamwork approach to help reinforce student skills and learning. Timeline: 2021-2022 School Year and summer scheduling if and when needed. For each timeline, teachers can use quarterly grade reports to monitor student progress. Teachers at both schools would be responsible for ensuring the achievement of these goals.

Other Goal (For example, SEL, Mental Health, Graduation Rates, Recruitment/Retention, Professional Development, Community and Family Engagement, etc.) Strategies, Actions, Timelines, and Assignments

Goals: Provide a healthy, safe, and stable school environment. These goals may be met in these ways: (1) provide for the retention of a well-trained staff through premium pay, (2) provide 200% of the state minimum wage for the summer months (3) provide of summer school

Provide PPE equipment, sanitizers and cleaning supplies, (3) replace a failing school boiler to provide a clean heat and air exchange in the school, (4) teachers can use a research-based counseling curriculum, to monitor students through their engagement, attendance, and other observations, with regular check-ins with the student and their parent/guardians. (5) hire a licensed counselor to help students, families and staff. Timeline: 2021-2022 School year and summer if/when needed.

For which of the following student groups do you have a distinct Math goal? Choose all that apply.

- American Indian or Alaska Native
- Black or African American
- Hispanic
- MultiRacial
- White**
- Free and Reduced Lunch**
- Homeless
- Students with Disabilities**
- None

For which of the following student groups do you have a distinct English Language Arts (ELA) goal? Choose all that apply.

- American Indian or Alaska Native
- Black or African American
- Hispanic
- MultiRacial
- White**
- Free and Reduced Lunch**
- Homeless
- Students with Disabilities**
- None

For which of the following student groups do you have a distinct goal other than Math or ELA? Choose all that apply

- American Indian or Alaska Native
- Black or African American
- Hispanic
- MultiRacial
- White**
- Free and Reduced Lunch**
- Homeless
- Students with Disabilities**
- None

Describe your Math goal for each identified student group.

White: The goal for this group is to have at least eighty-percent of students performing at or above grade level by the end of the 2021-2022 school year. Free and Reduced Lunch: Provide technology and teaching tools/supplies as needed. Students with Disabilities: Achieve and meet all Individualized Learning Plan goals.

Describe your ELA goal for each identified student group.

White: The goal for this group is to have at least eighty-percent of students performing at or above grade level by the end of the 2022-2023 school year. Free and Reduced: Provide technology and teaching tools/supplies as needed. Students with Disabilities: Achieve and meet all Individualized Learning Plan goals.

Describe your Other goal for each identified student group.

White and All students: To monitor the progress of goals, I will use observations of the student's engagement, attendance, and regular conferences with parents/guardians. I would like to have a research-based counseling curriculum, or a certified counselor on staff to help students reach this goal. Free and Reduced Lunch: Provide the support the students and families need. Provide PPE for those in need. Students with Disabilities: Achieve all Individualized Education Plan goals. Provide extra emotional and academic support on an individualized need or situation.

If you are planning to develop or use approaches that are novel to achieve your Math, ELA, or other goal, would you be willing to have the OPI share your approaches with state and federal entities? If so, please briefly describe your innovation below.

4. Coordinating Funds

Identify other federal funding that you are coordinating with ARP ESSER funds to most effectively use funds to address student needs.

Did you coordinate ARP ESSER funds with other federal funds to address student needs?

- Yes
- No

Please select each type of federal funding you are coordinating with ARP ESSER funds to most effectively use funds to address student needs.

- Title I, Part A of the ESEA (Improving Basic Programs Operated by LEAs)**
- Title I, Part A-section 1003 school improvement (Comprehensive and Targeted Supports)
- Title I, Part C of the ESEA (Education of Migratory Children)
- Title I, Part D, Subpart 1 of the ESEA (Prevention and Intervention Programs for Children and Youth Who Are Neglected, Delinquent, or At Risk)
- Title II, Part A of the ESEA (Supporting Effective Instruction)**
- Title III, Part A of the ESEA (English Language Acquisition, Language Enhancement, and Academic Achievement)**
- Title IV, Part A of the ESEA (Student Support and Academic Enrichment Grants)**
- Title IV, Part B of the ESEA (21st Century Community Learning Centers)
- Title V, Part B, Subpart 2 of the ESEA (Rural and Low-Income School Program)**
- McKinney-Vento Education for Homeless Children and Youth Program and section 2001(b) (1) of the ARP Act
- Carl D. Perkins Act Career and Technical Education Act
- IDEA, Part B (Excess costs of providing FAPE)**
- IDEA, Part B (Coordinated Early Intervening Services)**
- Workforce Innovation and Opportunity Act

5. Creating Safe and Healthy Learning Environments

Determine if ARP funds will be used to **implement prevention and mitigation strategies**, to the greatest extent practicable, in order to continuously operate schools for in-person learning.

If you are planning to use ARP ESSER funds for prevention and/or mitigation strategies, please select the evidence-based practices below and/or describe an additional practice in the Other box.

- Mental health supports**
- Social emotional learning**
- Academic support**
- Extended learning/enrichment**
- Hiring new staff and avoiding layoffs**
- Meeting the nutritional needs of underserved students.
- Locating absent students and re-engaging disconnected youth
- Providing safe, healthy, inclusive learning environments.**
- Activities to address the unique needs of at-risk populations.
- Developing and implementing procedures and systems to improve the preparedness and response efforts
- Training and professional development for staff of the local educational agency on sanitation and minimizing the spread of infectious diseases**
- Purchasing supplies to sanitize and clean the facilities**
- Planning for, coordinating, and implementing activities during long-term closures, including providing meals to eligible students, providing technology for online learning to all students, providing guidance for carrying out requirements under the Individuals with Disabilities Education Act and ensuring other educational services can continue to be provided consistent with all Federal, State, and local requirements.
- Purchasing educational technology (including hardware, software, and connectivity) that aids in regular and substantive educational interaction between students and their classroom instructors including low-income students and children with disabilities, which may include assistive technology or adaptive equipment.**
- School facility repairs and improvements to enable operation of schools to reduce risk of virus transmission and exposure to environmental health hazards, and to support student health needs.**
- Inspection, testing, maintenance, repair, replacement, and upgrade projects to improve the indoor air quality in school facilities, including mechanical and nonmechanical heating, ventilation, and air conditioning systems, filtering, purification and other air cleaning, fans, control systems, and window and door repair and replacement

- Other (please identify in the box below)

If you are planning to develop or use approaches that are novel to implement prevention and mitigation strategies, would you be willing to have the OPI share your approaches with state and federal entities? If so, please briefly describe your innovation below.

6. Addressing Lost Instructional Time

Describe how the school district will use ARP ESSER funds it reserves under Section 2001(e) (1) of the ARP Act to **address lost instructional time** through the implementation of evidence-based interventions. The district must spend a minimum of 20% of ARP ESSER funds. The full implementation of the evidence-based interventions should be considered including personnel, materials, equipment, professional development, and expenses needed to meet the needs of students. Other evidenced-based practices may be utilized if the intervention meets one of the four tiers of evidence. Evidence-based practices may be found at [OPI's Multi-Tiered Systems of Support](#) page.

How do you plan to spend the required 20% set-aside to address lost instructional time? Choose all evidence-based practices that apply.

- Extended learning time**
- Tribal/community engagement
- Wraparound academic/health/social services**
- SEL learning supports**
- Evidenced-based curriculum**
- Accelerating learning through instructional approaches: In-school acceleration- Certified educators provide support for students within the classroom and grade-level work, using high-quality instructional materials, instructional strategies, and formative assessments.**
- Accelerating learning through instructional approaches: Tutoring program-High-dosage tutoring provided consistently by well-trained tutors or educators at least 3 days per week for at least 30 minutes at a time in groups of five or fewer students.
- Accelerating learning through instructional approaches: Out-of-school time programs- Identified students, needing additional support before, and after the regular school days, as well as on weekends, and during school breaks.
- Accelerating learning through instructional approaches: Summer learning and enrichment: Summer learning programs, camps, community partnerships, work-based learning or community service that provide high-quality instructional and are designed to meet the social

continually serve that provide high-quality instructional and are designed to meet the social and emotional needs of student through engaging and enriching experiences.

- Access to and effective use of technology**
- Engaging families in digital learning training and effectively using technology and platforms**
- Administering and using high-quality assessments that are valid and reliable, to accurately assess students' academic progress and assist educators in meeting students' academic needs, including through differentiating instruction**
- Providing information and assistance to parents and families on how they can effectively support students**
- Tracking student attendance and improving student engagement provided by the school**
- Using data about students opportunity to learn indicators to help target resources and support**
- Professional Learning Communities**
- Access to advanced coursework, dual enrollment, work-place learning, and/or internships
- Career, Technical, and Agricultural Education expenses (approved under Perkins Act)
- Distance/Remote Learning: connectivity (hot spots, outfitting buildings/buses with WiFi, other wireless, internet service, etc.), devices (laptops, tablets, etc.), printing costs for learning packets, instructional resources/tools, hardware, software, subscriptions, licenses, assistive technology or adaptive equipment, online learning platforms/learning management systems, other distance/remote learning costs**
- Other (please identify in the box below)

How do you plan to use the remaining 80% for the allowable uses of funds related to preventing, preparing for, and responding to COVID-19 as required by ESSER I, II, and III? See page 5 of the ARP ESSER Fact Sheet for more information. Choose all evidence-based practices that apply.

- Extended learning time
- Tribal/community engagement
- Wraparound academic/health/social services
- SEL learning supports**
- Evidenced-based curriculum**
- Accelerating learning through instructional approaches: In-school acceleration- Certified educators provide support for students within the classroom and grade-level work, using high-quality instructional materials, instructional strategies, and formative assessments.**
-

- Inspection, testing, maintenance, repair, replacement, and upgrade projects to improve the indoor air quality in school facilities, including mechanical and nonmechanical heating, ventilation, and air conditioning systems, filtering, purification and other air cleaning, fans, control systems, and window and door repair and replacement.**
- Other (please identify in the box below)

If you are planning to develop or use approaches that are novel to address lost instructional time, would you be willing to have the OPI share your approaches with state and federal entities? If so, please briefly describe your innovation below.

7. Supporting the Educator Workforce

Determine if ARP funds will be used to support and stabilize the educator workforce consistent with Section 2001 (e) (2) of the ARP Act.

How do you plan to use ARP funds to support and stabilize the educator workforce? Choose all that apply.

- Cover costs of offsetting the need to furlough or reduce the salaries of school-based staff**
- Cover costs of bonuses for recruiting and retaining educators and support personnel**
- Additional pay for additional work**
- Class-size reduction

- Technology to support learning: enable students to learn anywhere and teachers to teach essential standards**
- Additional professional development for school leaders, teachers, and staff (trainings, extended professional development days, programs, etc.)**
- Staffing additional physical and mental health support staff (counselors, social workers)**
- Other (please identify in the box below)

Please provide the estimated number of jobs (FTEs) that have been or will be **created** by the school district through the district’s planned use of ESSER III Funds.

Please provide the estimated number of jobs (FTEs) that have been or will be **retained** by the LEA through the LEA’s planned use of ESSER III Funds.

If you are planning to develop or use approaches that are novel to support and stabilize the educator workforce, would you be willing to have the OPI share your approaches with state and federal entities? If so, please briefly describe your innovation below.

8. Monitoring and Measuring Impact of ARP ESSER funds

How will the District monitor the impact of the ARP ESSER funded interventions or strategies, including but not limited to the 20% set-aside, to respond effectively to the academic, social, emotional, and mental health needs of all students, and particularly those students disproportionately impacted?

The academic impact of ESSER funds can be monitored through the use of summative assessments, standardized tests, Smart Balance testing and teacher assessment. Social/Emotional/Mental Health impacts can be monitored through teacher observations, rubrics provided by Montana Small School Alliance to determine proficiency in mental health, and surveys given to parents/guardians on how they believe their child is doing socially/emotionally/mentally. Staff, student and family’s ability to proficiently access and use technology. Realize a healthy environment with a clean heat and air exchange in a new boiler system.

Please indicate the type of data you are obtaining and using to monitor outcomes.

- Early Warning System
- Interim Formative Assessment**

- Assessment
- Opportunities to Learn surveys**
 - Summative assessments**
 - Chronic absenteeism**
 - Student engagement**
 - Use of exclusionary discipline
 - Advanced coursework
 - Access to technology**
 - Educator PD on technology**
 - Access to and preparation of high-quality educators
 - Access to mental health and nursing staff**
 - Student, parent, or educator surveys**
 - Per-pupil expenditures
 - Classified and certified staff (numbers of positions or people)**
 - Summer, Afterschool, and ESY enrollment**
 - Health protocols**
 - Student enrollment by Mode of instruction
 - Student attendance by Mode of Instruction**
 - Other (please identify in the box below)

The OPI has created a way for the district respondents to return to this plan and edit it multiple times before submitting. You can return anytime before August 24 to finish your submission.

- When you're ready, click Submit at the end of the plan.
- After you click Submit, your responses will display in a PDF file. Download the PDF file.
- Upload the PDF file of your responses to your district's webpage.

Note: The option to edit is no longer available once the plan is submitted by clicking the Submit button. If you click Submit and then determine later that you need to make changes,

contact OPITeams@mt.gov.

- This plan must be monitored continuously and updated every six months.
- The OPI will confirm your submission via the email you provide at the start of your plan.
- The OPI will reach out with questions and support as needed.

Thank you for your submission!
