SAFE RETURN TO IN-PERSON INSTRUCTION
AND CONTINUITY OF SERVICES PLAN**

**SEMIANNUAL REVIEW
DECEMBER 2021**

Jackson Elementary School District
Safe Return to School and Continuity of Services Plan

Date of Original Adoption: May 5, 2020

Dates Reviewed: August 19, 2020; June 1, 2021; July 21, 2021; August 19, 2021;
October 15, 2021; December 15, 2021

Date Plan was Last Revised: December 15, 2021

Next Regularly Scheduled Month for Consideration: June 2022

March 2020 - December 2021

1. The Jackson Elementary School District was ordered to close to in-person instruction on March 15, 2020, under an executive order issued by then-Governor Bullock. Districts were provided a two-week period of time during which they could remain fully closed to instruction of any kind while developing a plan for remote instruction required by the Governor.

Although our school district was authorized to remain closed, we quickly mobilized and began remote instruction during the timeframe when we were authorized to remain closed. Thereafter, our school district continued pursuant to a reopening plan approved by the Governor beginning March 30, 2020.

2. On April 22, 2020, then-Governor Bullock lifted his Stay at Home Order, and Announced a Plan to Begin Phased Reopening of Montana. As part of that plan, effective May 7, 2020, all schools were provided the option to return to in-classroom teaching at the discretion of local school boards.

Our school district finished the 2019-20 school year through remote/offsite instruction.

3. Our school district reopened to in-classroom instruction during the 2020-21 school year, and was fortunate to remain open for in-person instruction for 95% of the school year. During the school year, there was a temporary closure of all in-classroom teaching pursuant to quarantine or isolation orders issued by our county department of health. Our temporary closure to in-classroom teaching was for nine school days from March 16, 2021 – March 26, 2021. During the 2020-21 school year, our means of operation have included:

- i. In-person
- ii. Offsite

Our school district finished the 2020-21 school year strong, having provided high quality learning opportunities to the students in our community in safe and effective learning environments.

4. Our school district developed a plan for reopening to in-person instruction, with contingencies, and we implemented that plan for the 2020-21 school year. The reopening plan, details regarding which are provided below, included adoption of various model policies provided by the Montana School Boards Association under its 1900 Series, including model policies aligned with the Centers for Disease

Control guidance regarding mitigation strategies to limit exposure to and transmission of COVID-19 in school settings.

5. In June 2021, our school district crafted this Safe Return to In-person Instruction and Continuity of Services Plan. In August 2021, the Board of Trustees declared their own unforeseen emergency to last through June 30, 2022, in accordance with sections 20-9-801 through 20-9-806, MCA, due to community and school health concerns related to COVID-19. During the 2021-22 school year, our modes of operation have been:

- i. In-person
- ii. Offsite

Our district has provided offsite instruction for students issued with quarantine or isolation orders or who have chosen to self-quarantine or self-isolate.

6. We embraced a fundamental principle of providing extensive transparency to our community throughout the above timeframe. We publicly noticed, held meetings regarding, and provided extensive opportunities for our community to provide us with feedback regarding the school district's plans and we carefully considered such feedback in developing and refining the school district's plans throughout the last 20-21 months.

Safe Return to School and Continuity of Services Plan Contents:

March 2020 - December 2021

Part I: Documentation of Meaningful Consultation in Developing and Refining the School District's Plan from March 2020 Through December 2021:

We noticed, held, and invited public comment on our evolving plans for a safe return to school and continuity of services on the following dates since March 2020:

1. March 18, 2020
2. March 26, 2020
3. May 5, 2020
4. July 15, 2020
5. August 19, 2020
6. January 20, 2021
7. March 17, 2021
8. June 1, 2021
9. July 21, 2021
10. August 19, 2021
11. September 15, 2021
12. October 15, 2021
13. November 17, 2021
14. December 15, 2021

To the extent present in or served by our school district, our invitation for public input included a general opportunity for the public to provide input and was provided to everyone interested, including:

1. Students; families, including those with children in foster care; community members; county administrators (Superintendent of County Schools, county health nurse); teacher (we do not have a union), other educators, school staff; and stakeholders representing the interests of children with disabilities (parents).
2. We are a very small rural school district with no diverse student groups. Furthermore, we do not have any tribes, civil rights organizations (including disability rights organizations), English learners, children experiencing homelessness, children in foster care; migratory students, children who are incarcerated, or other underserved students present in or served by the school district.
3. Beginning in July 2021, a standing agenda item, "Consideration of Changes to Safe Return to In-person Instruction and Continuity of Services Plan", has been added as a means for the Board of Trustees to invite monthly stakeholder discussion. This will be in effect throughout the 2021-24 school years.

Part II: Contents of the School District's Plan for Safe Return to In-Person Instruction and Continuity of Services:

1. A description of how the school district will maintain the health and safety of students, educators, and other staff:

Following the lifting of the Stay-at-Home Order and subsequent reopening of the state on April 22, 2020, Jackson Elementary School District utilized the Montana Public Education Center *Roadmap for Safely Reopening Montana's Public Schools Using Emergency School District Policies* and accompanying MTSBA Model Emergency Policies. Utilizing these resources supported our school district's continued service to students with transparency and accountability while ensuring the operations of the school district reflected the circumstances in our community.

The policies ensured our Board of Trustees and school leaders honored the following priorities: quality instruction to students; a healthy and safe setting for students, staff, and the community; needed support of teachers and staff; and responsible financial and operational procedures. The policies provided an actionable plan for completing both the 2019-20 and 2020-21 school fiscal years in a manner that met these priorities and secured school district funding while providing an operational platform for considering long term innovations in the delivery of education services.

Jackson Elementary School District implemented policy options that facilitated collaboration between the Board of Trustees, staff, employees, parents, students, health officials, and community as we established protocols aligned with CDC guidance addressing how instruction was to be delivered to students; how gatherings and events would take place on school property; how the health and safety of staff and students

would be protected and preserved while school was open; and how financial and operational functions of the school district would continue during the period of public health emergency.

Jackson Elementary School District reviewed, considered, and addressed numerous areas of operation in our reopening process. On the topic of school district policy and procedures, the school district considered emergency policies and procedures, adoption and amendment of policies, suspension of policies, and administrative procedures. To support students' academic, mental, social and emotional success, the school district considered alternative grading, counseling, extended school year, student instruction proficiency determinations and declarations, support for particularly vulnerable students, access to internet for students, food preparation, summer school and additional student instruction resources. To ensure the health and safety of students, teachers, and staff, the school district considered cleaning and disinfection, community use of facilities, county board of health orders, diagnosis and confidentiality, hand washing and related hygiene protocols, telework, school closure orders, stay at home orders, symptom monitoring and isolation, travel quarantines, visitors, volunteers, vulnerable individuals, masks and personal protective equipment, and physical distancing.

Following the *Roadmap for Safely Reopening Montana's Public Schools Using Emergency School District Policies* ensured Jackson Elementary School District has remained in compliance with guidance and best practices provided by federal, state, or local health officials. Our school district has continued to adapt and adjust our policies as new and updated guidance and best practices have become available.

Further, the policies provide options for consideration through input from our Board of Trustees, administrative team, employees, parents, students, health officials, and community as collaborative partners as we have worked our way through ever evolving changes due to the pandemic. By considering all possible perspectives and factors when making the decisions to adopt or adjust a policy, or to implement a policy, we focused on the health and safety of our students, staff, and community for delivery of learning and services to our students. The policies have enabled us to adjust our procedures and practices during different phases in compliance with guidance and best practices provided by federal, state, and local agencies.

Jackson Elementary School District will continue to follow the policies noted below for the 2021-22 school year. We will engage in a semiannual reevaluation process of this Safe Return to In-person Instruction and Continuity of Services Plan to continue to ensure the health, safety and well-being of our students, teachers, staff, and community throughout the 2021-24 school years.

The policy establishes regulations regarding symptoms of illness, temperature screening, public awareness, and confidentiality.</p> <p>3431: In all proceedings related to this policy, the school district will respect a student's right to privacy. Although the school district is required to provide educational services to all school-age children who reside within its boundaries, it may deny attendance at school to any child diagnosed as having a communicable disease that could make a child's attendance harmful to the welfare of other students. The school district will rely on advice of the public health and medical communities in assessing the risk of transmission of various communicable diseases to determine how best to protect the health of both students and staff. The school district will manage common communicable diseases in accordance with Montana Department of Public Health and Human Services guidelines and communicable diseases control rules. The school district may temporarily exclude from school attendance a student who exhibits symptoms of a communicable disease that is readily transmitted in a school setting. The school district may notify parents of other children attending a school that their children have been exposed to a communicable disease without identifying the particular student who has the disease.</p>	<ol style="list-style-type: none"> 1. 05/05/2020 2. 08/19/2020 3. 03/17/2021 4. 08/18/2021 <ol style="list-style-type: none"> 1. 07/15/2002 2. 06/18/2014

Students shall have access to regular school counseling services whether their instruction is provided in an onsite, offsite or online setting. Staff shall promptly report any suspected student distress or concern to their supervisor for review and referral. Students receiving instruction in an offsite setting are governed by the staff obligation to report suspected child abuse or neglect. This policy in no way limits or adjusts the school district's obligations to homeless students or students in foster care. Applicable school district policies serving these students, or this population of students remain in full effect.</p> <p>1906P: Proficiency or satisfying aggregate hours of instruction can be achieved through an on-site, off-site, or blended learning model as outlined in Policy 1906. Best practices will assist school districts in facilitating quality learning for each student regardless of background or circumstance. Best practices include but are not limited to, planning and communication, clear expectations, differentiated instruction and learning models, and flexible demonstrations of learning.</p>	<p>1. 05/05/2020 2. 08/19/2020</p>

June 2021

Part III – Updated Compliance for the School District’s Previously Adopted Plan for the Safe Return to In-person Instruction and Continuity of Services:

Section 2001(i)(3) of the ARP Act states that a school district that developed a plan for the safe return to in-person instruction and continuity of services prior to the date of enactment of the ARP Act will be deemed to have met the requirement to develop a plan under section 2001(i)(1) as long as the plan meets the statutory requirements (*i.e.*, is publicly available on the LEA's website and was developed after the LEA sought and took into account public comment).

The school district’s plan meets the requirements of Section 2001(i)(1) and (i)(2) of the ARP Act. The school district’s plan is available on the Office of Public Instruction’s website, as well as a MTSBA-hosted website and, as noted above, was developed through a process that included extensive public comment. Further, we have, as part of the organization of the school district’s plan for purposes of the ARP Act, revised the school district’s plan at a meeting held on June 1, 2021, that included not just a notice of opportunity for public input but which specifically invited meaningful consultation with and input from:

Students; families, including those with children in foster care; community members; county administrators (Superintendent of County Schools, county health nurse); teacher (we do not have a union), other educators, school staff; and stakeholders representing the interests of children with

disabilities (parents). We are a very small rural school district with no diverse student groups. Furthermore, we do not have any tribes, civil rights organizations (including disability rights organizations), English learners, children experiencing homelessness, children in foster care, migratory students, children who are incarcerated, or other underserved students present in or served by the school district.

We have considered the input of all affected parties and have carefully deliberated regarding the best possible means by which our school district can provide safe effective learning environments for each of our students.

June 2021 - September 30, 2024

Part IV – Schedule for Future Review and Updates:

Consideration of this Safe Return to Schools and Continuity of Services Plan has been added as a standing agenda item on each regular and special meeting of the Board of Trustees since July 2021 and will remain so throughout the 2021-24 school years. The agenda item shall, at a minimum, include notice of any changes to the plan recommended by the administration with an invitation for input, notice of opportunity for public input, and consultation with, to the extent present or served by the school district:

Students; families, including those with children in foster care; community members; county administrators (Superintendent of County Schools, county health nurse); teacher (we do not have a union), other educators, school staff; and stakeholders representing the interests of children with disabilities (parents). We are a very small rural school district with no diverse student groups. Furthermore, we do not have any tribes, civil rights organizations (including disability rights organizations), English learners, children experiencing homelessness, children in foster care, migratory students, children who are incarcerated, or other underserved students present in or served by the school district.

Jackson Elementary School District will continue to follow their policies while engaging in a semiannual reevaluation process to continue to ensure the health, safety and well-being of our students, teacher(s), staff, and community throughout the 2021-24 school years. The next scheduled review will be June 2022, followed by December 2022, June 2023, December 2023 and June 2024.
