## Unplayable Lie:

You can declare an “unplayable lie” at any time, anywhere on the course - except if it is in a water hazard. It is the players decision as to whether or not the lie is unplayable.

### **Penalty: One stroke.**

What Next? Three options...

1. Play a ball as nearly as possible at the spot from which the original ball was last played, or...
2. Drop a ball behind the point where the ball lay, keeping that point directly between the hole and the spot on which the ball is dropped, with no limit to how far behind that point the ball may be dropped, or ...
3. Drop a ball within two club-lengths of the spot where the ball lay, but not nearer the hole.

*If the unplayable lie is in a bunker, your new ball position has to remain in the bunker.*
