

# *Rules of Golf*

---

## More Putting Stuff:

*If you hit the flagstick* with your putt, it is a **two stroke penalty**. So...

- Don't putt if the flag is still in the hole
- Place the flag well away from anyone's line
- Move the flag if you are attending.

*If you hit someone else's ball with your ball*, the ball that is hit must be put back where it was. The ball that struck the other ball must be played from where it comes to rest.

- If the ball that hit the ball on the green is hit from off the green, no penalty.
- If both balls are on the green, ***it's a two-stroke penalty***.

*Do not walk on the line of your or anyone else's putt.*

**Penalty – One Stroke.**

*The line does not extend past the hole.*
