

Dear LPGA Amateur Member,

Happy New Year! As we look back on 2018 and embark on the 2019 season, I want to personally thank each of you for your support and passion for the LPGA Amateur Golf Association.

When we joined the LPGA family earlier this year, our number one goal was to enhance the membership experience by leveraging the LPGA brand and its resources. Holding true to that promise, I am extremely pleased to announce the first step in that process, - a reduced dues structure across all membership categories - effective today, January 7, 2019.

Along with the reduction in price, the following are additional adjustments to our current dues structure:

- Elimination of the \$25 initiation fee
- Reduced, flat fee for active and retired Military members
- Increased age limit for Young Professional members from 30 to 35 yrs. old
- Reduced, flat fee for "At Large" members

If that is not enough, I have one last thing to offer – between Monday, January 7 and Friday, March 1 – both new and renewing members can take advantage of a special, limited time offer across all membership categories (excluding "At Large") as follows:

Membership Category	Previous	New	Special Offer
Classic New Member	\$155	\$120	\$99
Classic Renew	\$130	\$120	\$99
Senior New Member	\$125	\$85	\$64
Senior Renew	\$100	\$85	\$64
Young Professional New Member	\$75	\$65	\$44
Young Professional Renew	\$75	\$65	\$44
At Large Member	\$120	\$50	n/a
Dual Member	\$35	\$35	n/a

Use code "SALE2019" to take advantage of this pricing.

YES – even if your membership expires months from now - you may renew your membership early and add another year at the sale price.

There are no better advocates for our organization than our current members. So, armed with this special offer, please take this opportunity to spread the word about the LPGA Amateur Golf Association and look for #inviteHER activities in and around your community to encourage other women to join the fun!!

Best of luck on the links this season!!

Jane Geddes
Executive Director
LPGA Amateur Golf Association
