

2019 Sponsorship Program

Since 1991, the LPGA Amateur Golf Association (formerly EWGA) has brought women together to share their passion for golf and grow the game.

Today, with some 12,000 members in local chapters across the U.S. (and beyond), we're the premier women's amateur golf organization.

Portland members—more than 160 of them—are active, accomplished, affluent women who are decision makers for their families and businesses.

Just the target audience you are seeking.

Tee up your business in support of the LPGA Amateurs Portland!
