

The Double D of Putting: DISTANCE AND DIRECTION

Continuation of Golf Tip Article on Introduction to Putting and Why It Matters

Challenge:

- Pick a hole and pace 5, 10, 15, and 20 steps
- At each distance place a tee in the green (5, 10, 15, 20 steps)
- Stagger the balls so you can putt and walk to the next distance
- The process of long to short helps you learn to swing the putter and the process of short to long creates successful swinging.

Round ONE
Longest Putts to Shortest Putts

4 distances, 4 balls = 16 putts (Long to Short)

Mark in each box how many putts you took to get the ball in the hole.

Ball	20 paces	15 paces	10 paces	5 paces
#1				
#2				
#3				
#4				

How many putts were **2 feet or less** from the hole? _____

Round TWO
