THANK YOU FOR YOUR SUPPORT!

EWGA is an international, not-for-profit organization founded in 1991 to provide career-minded women with an environment in which they can advance their recreational and professional interests through the game of golf. With more than 100 local Chapters, EWGA today boasts a membership of over 20,000 women.

The SWFL Chapter is one of the largest chapters in Florida, with over 200 members. EWGA members are among the most dynamic and influential women in the area. Importantly, they are making decisions to purchase goods and services for their companies and for themselves.

Each year our SWFL Chapter has enjoyed the financial support of a growing number of local businesses in our community. This helps us defray administrative expenses and enables us to make increasing contributions of time and money to area organizations, such as the USGA*LPGA Girls Golf and PACE Center for Girls, Immokalee. **Since 2004 our chapter has donated over \$150,000 to these local programs.**

Please consider a sponsorship as a means to promote your products or services to this highly targeted audience of decision makers.
