

## **NEWSFLASH From EWGA Albany/Capital Region March 10, 2017**

### **A la Mode: Spring Kick-Off Features Fashion**

We're starting the golf season in style on Tuesday evening, April 4, with a chic Spring Kick-Off Celebration at Wolfert's Roost Country Club. Event Co-Captains Margaret Dennis and Sally Lennon are putting together dinner-and-a-show for a mere \$30, featuring five Chapter members modeling the latest in golf attire.

There'll be Voguing, too. Member Maryann Jablonowski is using her renowned sewing and styling talents to replicate this timeless look featured on the magazine's July 1929 cover.

As for where to wear those modish golf outfits--we'll be revealing an exciting new venue for the Chapter Championship, and announcing the debut of our Play aRound Program, organizing weekend golf at area courses.

So of course you'll want to sign up ASAP at [this link](#). For those who put time and effort into Chapter events last year, it's a good chance to put your 2016 Volunteer Rewards to work--they'll be arriving shortly via personal email.

### **Thinking Spring: League Registration Starts Soon**

The weather outside is frightful (some of the time), but it's also time to start thinking about EWGA golf leagues. The headline for 2017: additional Intermediate leagues at two of our most popular courses, Capital Hills and Van Patten. Both will play on Tuesdays starting at about 4 pm.

The complete schedule of 2017 leagues will go up next week on our website. Members of 2016 leagues who met attendance requirements will receive an email that enables them to do **Early Registration** for that league only from March 24 through April 2. (This opportunity applies to *one league*; for dual league members--you gotta choose!)

**Open Registration** for all Chapter members signing up for their first league, including the two new ones, begins April 5. At the Kick-Off Celebration the night before, we'll share what league openings are available, so that's yet another reason to attend!

**Final Registration** for everyone signing up for a first or second league and/or subbing begins April 16. **Opening Day** for most leagues takes place during the week of May 1; the three Stadium leagues begin the following week.

## Please Post: Share your EWGA Photos on Facebook

Check out the Chapter's Facebook page, [EWGA Albany/Capital Region NY Chapter](#), for recent photos from the Bowling Blast and Winter Golf League. Be sure to "Like" this page to get updates about activities and view photos from events and leagues.

Where do these pictures come from? You! There are two ways to share: send photos and captions to [albanyewga@gmail.com](mailto:albanyewga@gmail.com) for a Chapter officer to post, or post on the timeline as a visitor. Be patient, please: Either way, it may take a day or two before before your contributions go public. (Also keep in mind, Chapter policy discourages commercial pitches.)
