The Chapter's 18 leagues will be ready for **Open Registration at NOON on Thursday, March 29**. After completion of Early Registration, we have more than 130 slots open for league members!

Our schedule this year features more courses and more daytime options:

- New leagues at new courses:

* General on Tuesday afternoons at Saratoga Lake.

* Advanced Beginner on Wednesday evenings at Pheasant Hollow.

- New Beginner league on Thursday mornings at Mill Road.

To learn more about each league--and to register starting Thursday noon--use the links on the Chapter website [League Schedule page](#).

(X marks the spot!)

The table at left provides a snapshot of league openings now available. Registration pages will "go live" starting at noon on Thursday. *It will take several minutes to turn on 18 signup pages manually, so please be patient and keep trying.*

Three leagues with limited openings (Capital Hills Thursday, Stadium Monday PM 5:22, and Schenectady Muni Monday AM) will offer signup **by check only on the first day**. This gives everyone fair access, because PayPal processing adds extra time to registration completion. The other leagues will accept payment by check or PayPal. (You don't need a PayPal account to pay.)

*If you won **League Bucks** at last year's League Challenge, go ahead and register normally. These refunds--and others such as resident and senior discounts for courses that offer them--will be provided in the weeks ahead through the league fee payment mechanism you used, PayPal or check.*

Signup for second leagues begins April 12. Stay tuned for introduction of a new "Sub Central" system for league subbing.

Save the Date! The **League Meet & Greet** is Saturday morning, April 21, at Western Turnpike Golf Course. Meet or reconnect with your fellow league members at brunch--

subs are welcome, too. If the course is open, we'll offer tee times afterwards for our first **Play aRound** event of the season.
