

NEWSFLASH: League Update

Here's the news on our 18--count 'em, 18!--leagues for 2018, plus a bunch of dates to save. Including the CORRECT one for the JULY 14 Chapter Championship.

What's new this year?

We have three new leagues at two new courses, with more opportunities to play during the day. We've added two daytime leagues: one for Beginners at Mill Road on Thursdays at 10 am, and a General league at [Saratoga Lake](#), our first at this course, on Tuesdays at 1 pm.

[Pheasant Hollow](#) in East Greenbush hosts our first Rensselaer County league in quite a while, for Advanced Beginners on Wednesdays at 5:30 pm (an easy rush-hour ride from downtown Albany, among other places).

What's coming up?

League Meet & Greet orientation for members and subs takes place on Saturday, April 21, at Western Turnpike. Sign-in begins at 10:30 am, with a buffet brunch. If the weather cooperates, we'll hold our first **PlayARound** event of the season with tee times for casual play afterwards. Look for a registration email as the date gets closer.

League signup takes place during three rounds of registration:

Early Registration runs through this Saturday, March 24, at midnight, for league members who met attendance requirements for 2017. Eligible members have received signup links by email. **If you think you're eligible and didn't receive an email, contact us at albanyewga@gmail.com.** But first check your Spam or Junk folder, and if you're a Gmail user, also check your Promotions or Updates inbox.

Open Registration starts at noon on March 29 for any Chapter member who wants to sign up for her first league, existing or new. The number of openings available after Early Registration for existing leagues will be posted online and provided at the League Table at the **Spring Kick-Off Celebration** on March 27.

Final Registration starts April 12 for Chapter members who want to join a second league that still has openings. *Final Registration previously included members who want to sub in leagues, but your Chapter Board is working on a new, easier, more up-to-date, season-long subbing system this year. Stay tuned.*
