

## Happy, Lazy, and Smart!

Coming up next week: an hour (actually two) to make you happy on Friday, a lazy-Sunday PlayARound, and a golf clinic Tuesday to smarten up your game.

### Happy Hour May 18 at Wolf's 1-11

May Happy Hour takes place at the end of next week at Wolf's 1-11 on Wolf Road. We enjoyed Wolf's for the holiday party, now we'll give it a try in springtime! You buy your drink, the Chapter pays for appetizers.

### Lazy Swan Do-Over on May 20

An intrepid troupe of Chapter golfers hit the drippy links last Sunday for the PlayARound at Lazy Swan, but since more than half the registrants canceled due to weather we're going to do it again on Sunday, May 20. The course is great, the facilities for post-round hangout look terrific, and it's a quicker-than-expected trip from our area. Guests are again welcome. [Click here for more info and signup.](#)

*Even on a rainy day, we could see the mountain views at Lazy Swan.*

### Golf Clinic at Stadium on Tuesday, May 15

Want to play smarter and with more confidence? Attend Tuesday's clinic with Stadium Pro Jack Madej covering *Course Strategy and Basic Rules & Etiquette*. The fee is only \$20 for the hour-long 6 pm session, and Jack has earned rave reviews from attendees at the previous three clinics in his series. [Click here to register.](#)

### As You May Have Noticed, We've Changed Our Name

EWGA is now officially LPGA Women Who Play and we are the Capital Region NY Chapter (a streamlining of our previous Albany/Capital Region designation). On April 18, your Chapter Board of Directors voted officially to accept the new affiliation.

The EWGA brand will be phased out over the next six months, so you can look forward to lots of old logo swag coming your way at upcoming events. The new identity isn't quite soup yet; our chapter logo and digital URL/email are still in process, and there's also some likely adjustment to the abbreviations the organization uses for itself. "LPGA Play" is one shorthand that may see greater use.

Meanwhile, check out [this video from LPGA Commissioner Mike Whan](#), whose enthusiasm for the new alliance is infectious.. in a good way!
