Championship Series: Terri Walsh takes honors in Third Flight

Five Chapter members went to Innisbrook Golf Resort for the two-day LPGA Amateurs Championship Finals, and one of them brought back a trophy--for the second year in a row! Terri Walsh won 1st low gross in the Third Flight, after taking 1st low net in 2017. LPGA Amateurs Executive Director Jane Geddes (far right), presented Terri with her trophy and bottle of wine.

Stephanie Mumford Brown was out of the money but not far behind in the 30-member Third Flight, placing 5th low gross. Both Terri and Stephanie shaved 10 strokes off their scores on the second day. Full results are at [this link](#).

Other members took Chapter representation across four out of the five stroke-play flights. In addition to Walsh (far left in photo) and Brown (center), the cheerful Capital Region contingent included Mary Diefendorf (2nd from left, Championship Flight), Pat Reynolds (far right, First Flight), and Natalia Bausback (2nd from right, Second Flight).
