"LIFTING AS WE CLIMB"

NABA is one of the premier professional organizations in the nation with the unique opportunity of representing the interests of more than 100,000 people of color in furthering their educational and professional aspirations in the related business fields of accounting, consulting, finance and information technology.

ACAP® is working to change the face of business to provide the best workforce to meet the challenges of the 21st century.

The Global Goal is to increase the number of underrepresented ethnic groups going into the accounting and finance professions and achieving the CPA designation.
