Join us for NABA Richmond’s 2nd Annual Charity Golf Outing. Our goal is to raise funds for our various chapter programs and events for the upcoming fiscal year while also providing an atmosphere to allow our members, corporate partners, and general supporters to network and have fun over a competitive afternoon of golf!

**MISSION & GOALS**

The Richmond Metropolitan Chapter of the National Association of Black Accountants, Inc. was organized and revitalized in February 1989 to unite accountants and accounting students with similar interests and ideas. The chapter's goals and objectives are designed to promote and develop the professional skills of its members; to encourage and assist minority students in entering the accounting profession; to encourage cooperative relationships with other professionals; to represent the interests of current prospective minority accounting professionals and to promote the interest of the National Chapter. The Chapter achieves these goals through our key local programs. This includes bi-annual "Day with NABA" student seminars for the seven growing university chapters, quarterly CPE and professional development opportunities for our members and partners, an annual scholarship program and quarterly community service and outreach opportunities.
