

NACCHO Annual 2019 Abstract Preview

Speaker Information

Please identify the presenter(s) for your session. All presenters **MUST** be in attendance at the session. A maximum of two (2) presenters and one (1) facilitator are allowed for 30 or 60-minute sessions. While pre-conference workshops and 90 minute sharing sessions have a maximum allowance of three (3) presenters and one (1) facilitator.

Additionally, each session will require a facilitator. You may choose one of your presenters to be the facilitator (check the appropriate presenter box below), choose your own independent facilitator, or request one be assigned by the conference staff.

- Performance Management

Learning Objectives

- Please add your learning objectives for this submission. All session descriptions for review must describe Learning Objectives.

Submitters must identify which learning objective(s) their session will meet and specify how the session will meet the objective(s). Word limit per objective is 100. (Choose 3 max.)

- Describe approaches to refining and developing sub-county measures and metrics to enhance local data availability and unmask health gaps;
 - Identify ways in which decisions in multiple sectors affect health and collaborative methods for incorporating health considerations into public policy;
 - Discuss strategies local public health departments can employ to establish and maintain linkages and referrals to healthcare services in order to sustain healthy communities;
 - Describe creative designs that shape health communications outreach for the delivery of appropriate community risk and prevention messaging;
 - Identify ways health information technology and informatics can be used to improve population health outcomes;
 - Compare innovative ways to structure local public health departments that maximize resources to enhance service delivery to the community.
- How will this session meet the above learning objective (100 words max)?:

Additional Information

- Have you presented this session to other audiences?
 - Yes
 - No
- If yes, please provide details below:

- Please describe how the Local Health Department was involved in the research project:

- Are you interested in having your submission automatically accepted as a poster if not selected as a sharing session?

- Do you have a facilitator planned for this session?
 - Yes, one of the presenters will be the facilitator;
 - Yes, an individual facilitator has been identified;

NACCHO Annual 2019 Abstract Preview

- No, the Annual Conference Committee may assign session facilitator;
- No, this session does not need a facilitator

- Are any of the presenters listed Model Practice Award Winners?
 - Yes
 - No

- If you answered yes above, please select the year that the Model Practice Award was received.
