New Users

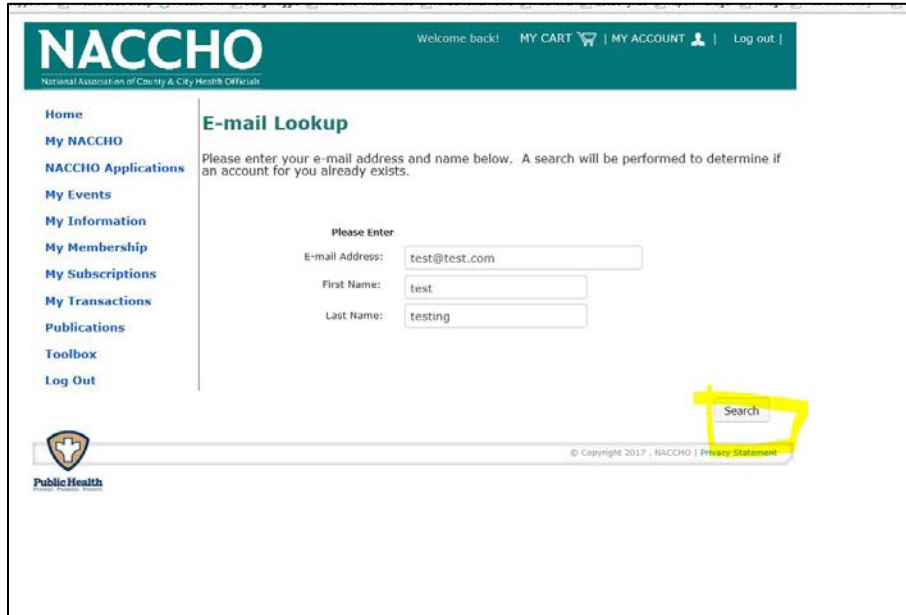

You will need to create an account to complete your request. It's fast and free.

Create an account today to:

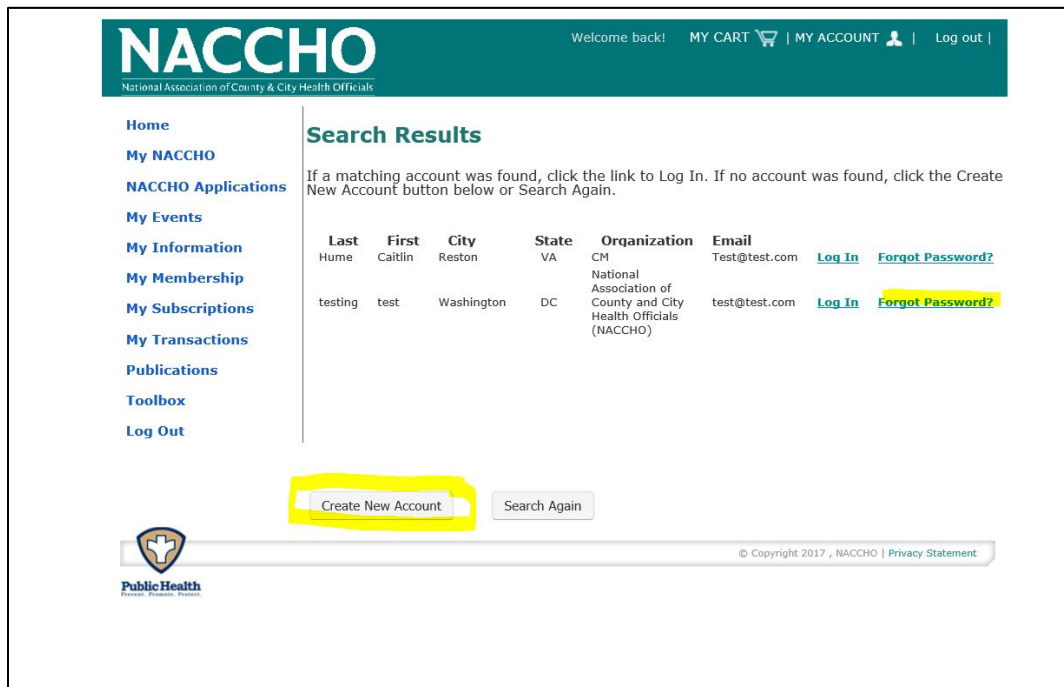

- Enjoy unique member benefits and pricing
- Have 24/7 access to your order history
- Customize your preferences

[Create Account](#)

3. You will be prompted to enter some contact information, to verify if you already have an existing account within the My NACCHO system.
4. Please enter all fields (E-mail Address, First Name, and Last Name)
5. **CLICK** the “Search” button.

6. The search result will display any existing accounts that have fields matching the information you entered.

7. If you have an existing account listed in the search result, but do not know the password, you may click the “Forgot Password?” hyperlink.

- a. You will then be asked to verify the email address, to which the “forgot password” email should be sent.
- b. **CLICK** the “Search” button.

Forgot your password?

You will receive an e-mail shortly with a link to change your password. If you do not receive an e-mail, try the following: Check the Spam folder in your e-mail to ensure that your confirmation e-mail was not auto-filtered to that folder. If you have any questions, please contact us at 202-783-5550 between the hours of 8:30 a.m. and 5:00 p.m. ET, Monday through Friday.

Please enter your e-mail address:

- c. You will then receive an email, containing a link, which will direct you to a page that will allow you to update your password.

Forgot Password

Thank you. An e-mail has been sent to you with a link to reset your password.

8. If you do not have an existing account listed in the search result

- a. **CLICK** the “Create New Account” button.
- b. Please complete the fields provided. All **bolded** fields are required to create an account.
- c. **CLICK** the “Next” button.

Manage Subscriptions [Add/Edit](#)

Welcome to NACCHO's e-newsletter subscription page.
NACCHO's e-newsletters cover a variety of public health topics. Please check the box next to the subscription(s) you would like to receive.
If you would like to unsubscribe, simply remove the check mark for the subscription and click save.

- NACCHO Connect**
NACCHO Connect is a twice-monthly e-newsletter that contains important information, tools and resources, and upcoming events from NACCHO. Useful for local health department leaders, their staff, and other public health audiences, NACCHO Connect contains information about all of NACCHO's program areas.
- NACCHO Annual Newsletter**
This newsletter features updates about NACCHO's Annual Conference.
- New Local Health Officials Newsletter**
- News from Washington**
The weekly's News from Washington e-newsletter, produced by NACCHO's Government Affairs team, provides an insider's view of what is happening with Congress, the Administration and Federal agencies that affects local health departments.
- Big Cities Health Coalition News**
Learn how big cities are pursuing innovative solutions on a variety of public health challenges.
- Breastfeeding 101 Subscription**
- Chronic Disease Prevention Chronicle**
This newsletter features information to support LHDs in chronic disease prevention activities and promote change at the policy, systems, and environmental levels in order to reduce the burden of chronic diseases.
- Food Safety Leaders List**
This list is used to send timely opportunities, tools, resources and news updates to food safety professionals in working in local and state health departments, academia, and the federal government. Featured content includes information on NACCHO led efforts as well as food safety partners representing the public and private sector at all levels.

j. CLICK "Save" to finalize.

SUBSCRIBERS

- Preparedness Summit Newsletter**
Preparedness Summit Newsletter provides news and important updates related to the annual Preparedness Summit, the nation's premier public health preparedness conference.
- Public Health Newsletter**
- Safe and Healthy Families Newsletter (Injury and Violence Prevention)**
This e-newsletter features content that covers priority issues and opportunities available to local health department staff who work to ensure that families and communities are safe and healthy. Subscribers to this newsletter will receive content and resources related to injury and violence prevention (IVP) and maternal, child, and adolescent health (MCAH). Additional communication that is specific to IVP will be shared with this listserve.
- Safe and Healthy Families Newsletter (Maternal, Child, and Adolescent Health)**
This e-newsletter features content that covers priority issues and opportunities available to local health department staff who work to ensure that families and communities are safe and healthy. Subscribers to this newsletter will receive content and resources related to injury and violence prevention (IVP) and maternal, child, and adolescent health (MCAH). Additional communication that is specific to MCAH will be shared with this listserve.
- The Transmission**
"The Transmission" is a monthly digest of posts from NACCHO's "Health People, Health Places" blog, featuring news and resources related to infectious disease, immunization, and epidemiology.
- Tobacco Prevention and Control Update**
This newsletter features information to support LHDs in tobacco prevention and control programming. Issues include news about national and local legislation, educational and funding opportunities, new resources, and research.
