

Step by Step guide to Accessing NACE Institute Digital Credentials

1. Log-in to your NACE Profile
2. Click on 'My Digital Credentials'

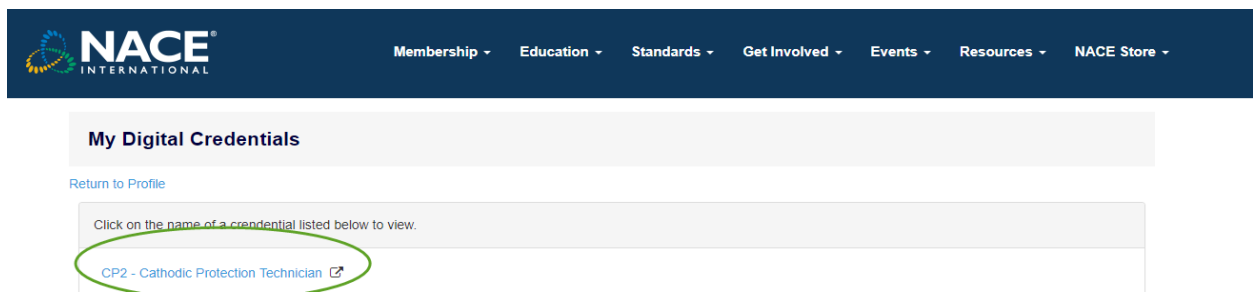

The screenshot shows the NACE International Profile page for a user. The header includes the NACE International logo and navigation links: Membership, Education, Standards, Get Involved, Events, Resources, and NACE Store. The main content area displays the user's profile information and a grid of options. The 'My Digital Credentials' option is circled in red.

6. Changes to the certificates to take note of;

- The certificate now says “Expires” with the month/year – previously it was “Awarded On”
- The cert number is now under the expiration month/year
- The expiration date for the certification is also located at the bottom of the users’ page
- The ‘Issued on’ date is when the certification was loaded in the system and has nothing to do with the candidate’s certification dates.

CP1 - Cathodic Protection Tester

The person to whom this has been issued has fulfilled the examination and experience requirements of the NACE Institute in order to attain the status of Cathodic Protection Certified Tester.

NOTE: This recognition will expire on the date noted. It is the responsibility of the cardholder to notify the NACE Institute of address changes. Failure to receive notices from the NACE Institute does not relieve the cardholder of the responsibility to contact the NACE Institute to complete the renewal process.
