

# AMPP Annual Conference + Expo 2022

On Demand Presentation Access Guide

# Accessing Your Account

1. Your account is automatically pre-created by AMPP and will receive an email inviting you to visit [amppannual.app.swapcard.com](https://amppannual.app.swapcard.com) to set up your account.
2. Type in the email you provided during registration into the indicated box.
3. On the next screen, you will be asked to set a password if this is the first time you're accessing the platform.
4. If you already have a Swapcard account, enter your password here.
5. Once you have entered your information, you will be redirected to a home screen. Look for AMPP then AMPP Annual Conference + Expo
6. If your email address is not recognized or if you have any questions, please contact [Reygie de Borja](#).

A screenshot of a login interface. At the top center is a logo consisting of two interlocking infinity-like shapes, one green and one black. Below the logo, the word "Welcome," is displayed in a bold, black font. Underneath that, a line of text reads "Please enter the email address you provided during event registration." Below this text is a label "Email address" followed by a text input field. Inside the input field, the placeholder text "Enter your email address" is visible. To the right of the input field is a green circular button with a white right-pointing arrow.

**Welcome,**

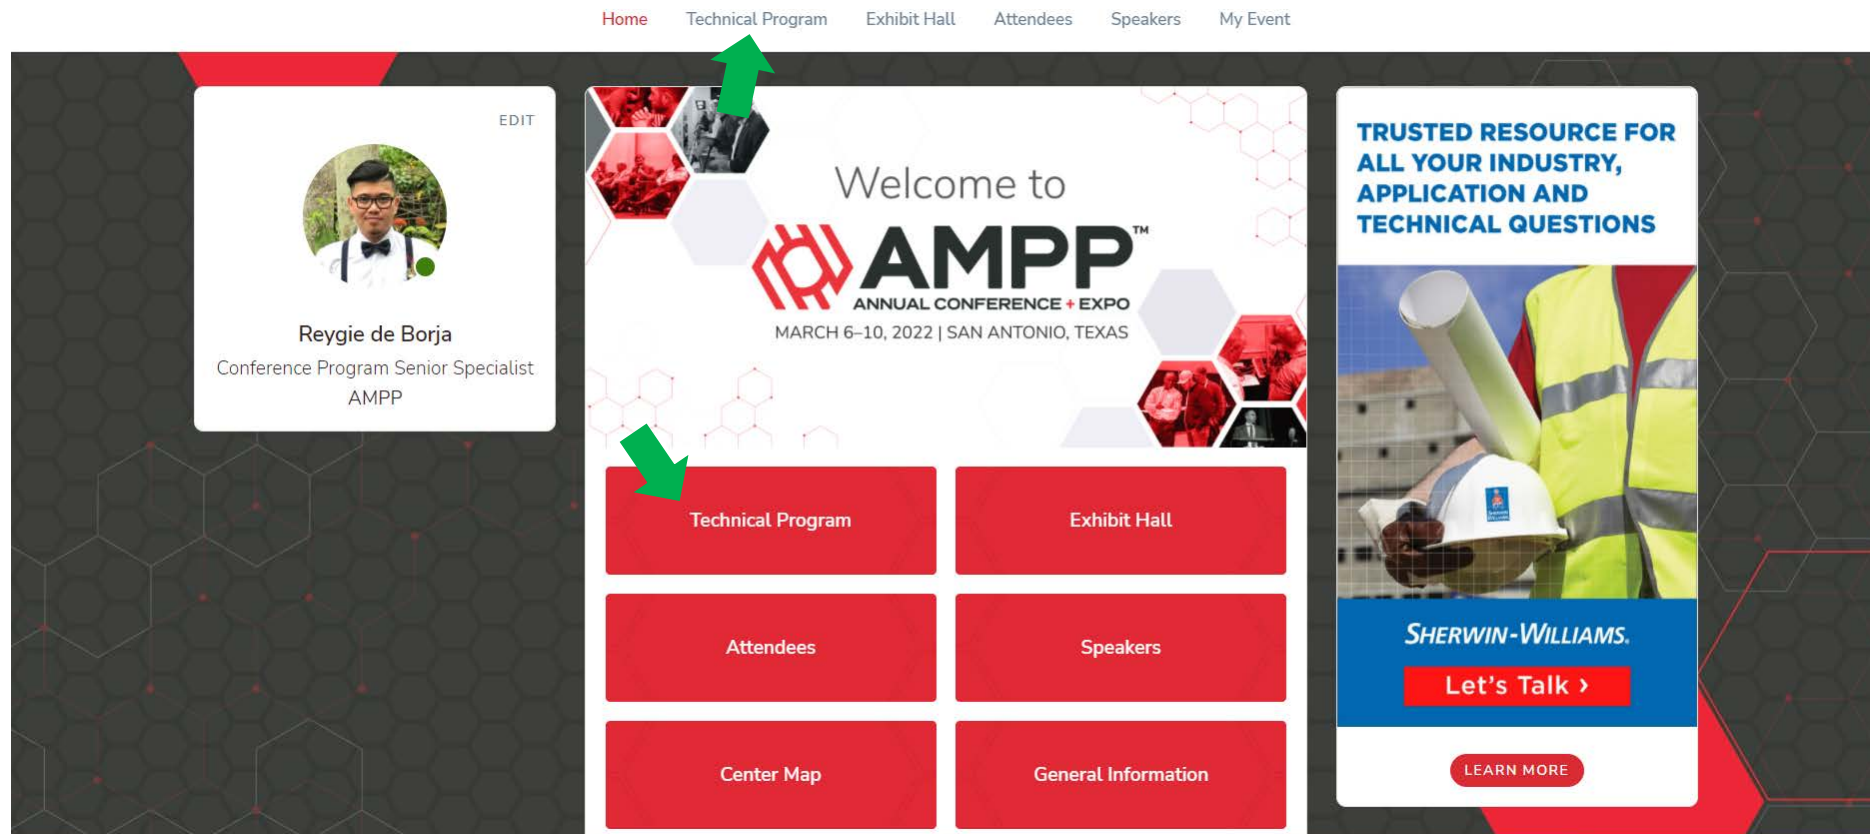

Please enter the email address you provided during event registration.

Email address

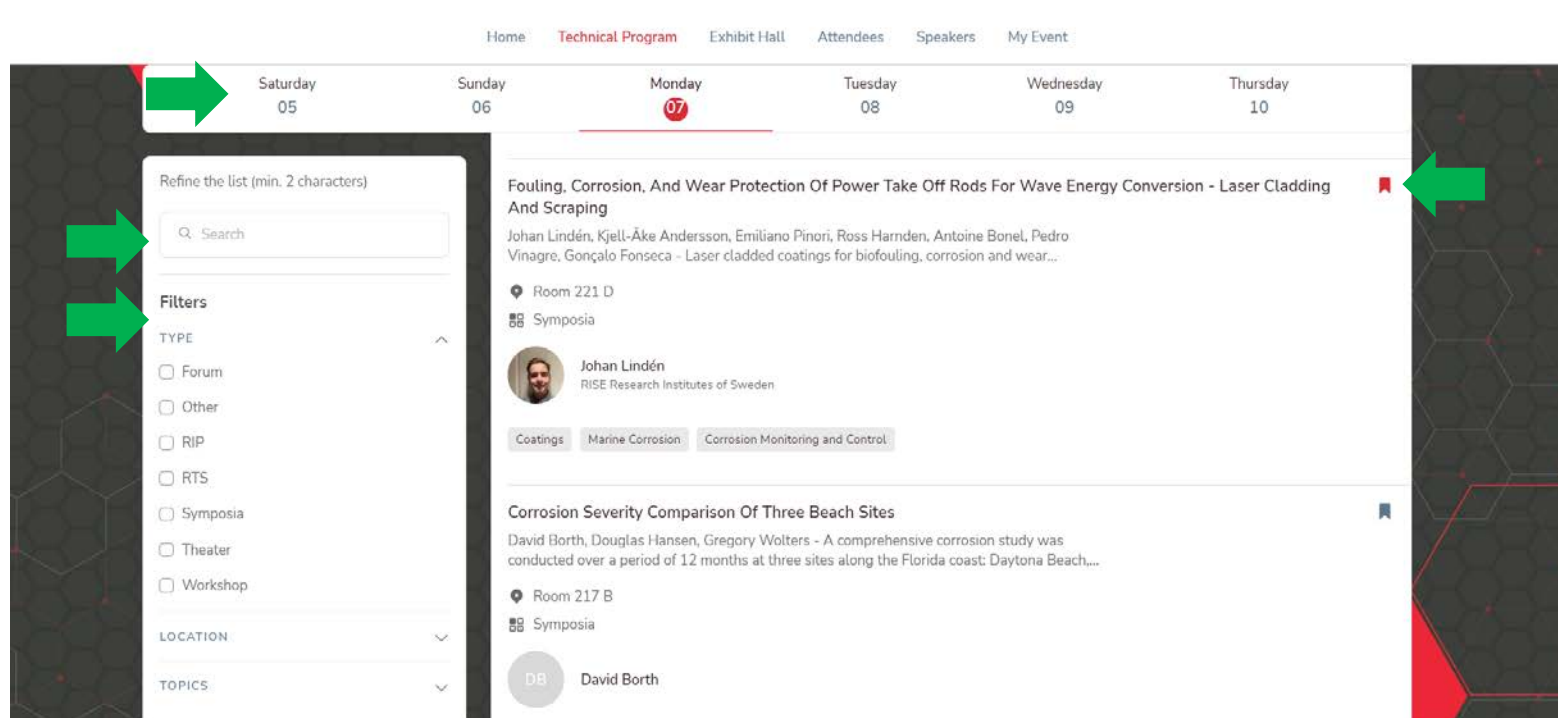

# Watch On Demand Presentations

1. When you log-in, you will first be directed to the Home page.
2. Click the “Technical Program” tab or button.

3. Once you are under Technical Program page, you will see that presentations are arranged per day, by default.
4. You may search for the presentation you would like to watch by scrolling through the days, using the search bar, or filter by session type, location or topics.
5. Click the presentation you would like to watch.
6. You may also bookmark the presentation if you would like to watch it later. Bookmarked sessions can be found under “My Event” tab.

4. The video should automatically start playing. If not, you manually click the play button.
5. You may also watch the video in full screen.
6. Click the Main Session if you would like to see other presentations under the same session.
7. You will now see all presentations within the same session.
8. You will notice that the previous video will still continue playing. To make the video big again, click the video and it should go back to the previous page.
9. Click the “Technical Program” tab again if you would like to go back and search for other sessions/presentations.
