Vehicle Display and/or Booth Demonstration Form

If your company plans to display a vehicle or perform any demonstrations within your booth that require additional utility services or accommodations per fire marshal and/or show management requirements, you must complete this form and upload it via the Exhibitor Portal by **Friday, January 15th, 2027. Sign into your portal, then click the "Upload Vehicle Display and/or Booth Demonstration Form" TASK to upload.**

Additional Pictures and/or videos (attachments or links) must be emailed to exhibitsdepartment@ampp.org.

Exhibitor Information:

Exhibiting Company: _____ Booth #: _____

Exhibitor Contact: _____

Exhibitor Phone: _____ Exhibitor Email: _____

Exhibitor Signature: _____ Date: _____

My company plans to ☐ **Display a Vehicle** ☐ **Perform Booth Demonstration(s)**

Description of Vehicle* (Include make/model and total dimensions when on display):

*All display vehicles or machinery must adhere to the following requirements per Facility regulations:
Equipment is to have no more than (1) one gallon of fuel; Gas cap must be taped to prevent leakage of fumes from tank;
Both battery cables must be disconnected and secured;
Transfer of fuel must be accomplished outside the building and must be into proper containers.

NOTE: Applicable Vehicle Spotting Fee(s) will be billed directly by Freeman. Questions? Contact Freeman via Freeman's online portal chat or @ US/Canada (855) 435-3234; International 1 (214) 865-7840 (WhatsApp (214) 984-3514).

Description of Demonstration (provide general information on process, equipment involved, additional utilities required, outputs that may impact surrounding exhibitors or attendees such as noise, gases or fumes), along with how frequently you plan to do the demonstration (ie: scheduled times, upon request, etc):
