Musicians Hall of Fame

This museum is an incredibly unique Nashville experience. It focuses a lot on session musicians and the tour really explores the stories behind the recording sessions from countless hit records. It is a lot of rich music history that spans over many popular recording cities in the United States. The Hall of Fame also has the GRAMMY Museum Gallery that includes tons of interactive exhibits. Guests can play on instruments, experience what the recording process is like, and sing a little bit of karaoke. It is great fun for all ages
