**naceinstructor@nace.org**

## I Hereby:

- Recognize and acknowledge that the proper control of corrosion can be critical to the safety and welfare of the general public and industrial facilities.
- Recognize and acknowledge that the control of corrosion is obligatory to maximize conservation of our material resources, to reduce economic losses, and to protect the environment.
- Recognize and acknowledge that the entire field of corrosion and its control encompasses the application of the knowledge and experience of many diverse disciplines and levels of technical competence with must often be consulted.
- Recognize and acknowledge that only through continual associations and cooperation with other in this field can the safest and most economical solutions be found to the many corrosion problems.
- Recognize and acknowledge that the quality of my work reflects on the entire profession of corrosion control.

## For These Reasons, I:

- Agree to give first consideration in my corrosion control work to public safety and welfare and to protection of the environment.
- Agree to apply myself with diligence and responsibility to the corrosion control work that lies within my area of competence.
- Agree to pursue my work with fairness, honesty, integrity and courtesy, ever mindful of the best interests of the public, my employer, and of fellow workers.
- Agree to not represent myself to be proficient or make recommendations in the phases of corrosion control work in which I am not qualified by knowledge and experience.
- Agree to avoid and discourage untrue, sensational, exaggerated, and/or unwarranted statements regarding my work in oral presentations, written text, and/or advertising media.
- Agree to treat as confidential my knowledge of the business affairs and/or technical process of clients, employers, or customers when their interests so require.
- Agree to inform clients or employers of any business affiliations, interests, and/or connections which might influence my judgment.

## I understand that my failure to comply with these requirements could result in disciplinary action.
