Prerequisite Requirements:

Prior to attending the **MPCAC/C14** program, all registering individuals must provide adequate information showing that they meet the minimum requirements as set forth in this form. If AMPP is unable to verify the accuracy of any information reported on this form, it may result in the rejection of your application.

- ☐ Provide proof of completion of at least 2 days or 16 hours of training by one of the following:

- An instructor certified by the plural component pump equipment manufacturer. (ex. Graco, WIWA, Wagner, etc.)
- An instructor certified as a qualified trainer by your employer.

The documented training must address, at a minimum, proper and safe operation, maintenance and troubleshooting of the pump being qualified on, and a hands-on component which should include the student starting, operating, and shutting down the equipment.

Proof of course completion should be submitted in the form of a signed letter from the instructor stating a brief overview of the content covered in the class, the course date and location. The letter needs to be on an official letterhead stating the student attended the full duration of the training course. If there was a training manual distributed to students, a copy of it must be submitted as well.

- ☐ I hereby certify that the candidate has at least 800 documented hours of experience applying protective coatings with airless spray **and** 400 hours of experience operating a plural component spray unit in an industrial or marine environment.

Please list the date when the candidate started working for your company:
