Meeting hosted by Structura View, which will include a Technical Presentation “Improving Corrosion Management with Aerial Visual Imaging” by Mr. Jeff Carrillo, Owner of Structura View.

**Key takeaways include the following:**

- How aerial visual imaging can enhance corrosion management programs by providing comprehensive, high-resolution views of hard-to-access assets
- Where aerial imaging fits within existing inspection and maintenance workflows, including its strengths and limitations
- Real-world applications showing how early visual indicators can support better planning, prioritization, and decision-making

**Feel free to share this Invitation with your colleagues as you do not have to be an AMPP member to attend!**

**DATE: Wednesday April 22<sup>nd</sup>, 2026**

**TIME: 10:00 AM – 1:00 PM**

**LOCATION: Catapult, 502 E. Main Street Lakeland, FL 33801 (room information & parking instructions will be sent to all on final RSVP list).**
