Member of the Month Spotlight Template

Introduction for Members

We'd love to feature you in our Chapter's "Member of the Month" spotlight! Please answer a few quick questions below and include a photo (headshot or event photo) that we can share. Your story helps inspire others and shows the value of being part of our chapter.

Questions (Prompts to Choose or Add Your Own)

- **About You**
  - What's your current role and area of focus in the industry?
  - How did you first get involved with AMPP and our chapter?

- **Your Journey**
  - What's been the most valuable part of your membership so far?
  - Have you taken a course, earned a certification, or attended an event that made a difference in your career?

- **Your Impact**
  - What's a project, achievement, or experience you're most proud of in your work?
  - Have you volunteered with the chapter, and if so, what did you enjoy about it?

- **Personal Touch**
  - What's one fun fact about yourself outside of work?
  - Who has been a mentor or inspiration for you in your career?

- **Looking Ahead**
  - What are you excited to learn, do, or accomplish in the coming year?
  - What advice would you give to new members just joining?

Format for Publishing

When you share the spotlight, keep it short and visual:

Title: *Member of the Month: [First Last Name]*
Photo: Headshot or event photo (with permission)

Profile Text (200–300 words): Pull 2–3 answers into a short narrative or Q&A format.

Quote Highlight: Choose one memorable sentence and make it a pull-quote or graphic.

Example Layout:

"Getting certified through AMPP changed the way I approach my work. It gave me confidence and opened new opportunities." – Maria, Coatings Inspector-Houston, TX

Quick Tips for Chapter Leaders

- Always get permission to use names, quotes, and photos.

- Rotate between members, students, volunteers, and even sponsors for variety.

- Post spotlights in your **newsletter, website, and social media** for maximum visibility.

- Save responses in a shared folder—you can reuse them later in other content (like testimonials).
