To: All **NACE International** Members

I wanted to take the time to introduce myself as the account manager for the new **NACE International** car rental travel program and also provide valuable information to make your travel smooth and efficient as a member of this great program.

***How do I take advantage of this new program with Enterprise Rent-A-Car?***

The new **NACE International** member account has several benefits that you the traveler can take advantage of. I have included in this packet an Enterprise Plus enrollment link and membership information that will allow you to create a frequent traveler profile to use with Enterprise Rent-A-Car.

***What if I am already a member of Enterprise Plus thru Enterprise Rent-A-Car?***

In the event that you are already a member of Enterprise Plus, please contact me directly with your membership information so that I can load your profile internally and provide the appropriate contract matching that you are entitled to as a member of NACE.

***What if I am already a member of another provider's membership program?***

With the transition to the Enterprise program you are entitled to a contract match from your current provider to our Enterprise Plus program, please contact me directly with your membership information (provider and level of membership) and I will enroll you directly into the program and also make sure the contract is connected as well.

Please feel free to reach out to me if you have any questions or concerns. As the account manager, I will be more than happy to assist any way possible.

Kind regards,

Chris Martin  
Account Manager  
Enterprise Holdings, Inc.

### **Enterprise Plus – Corporate Traveler Program**

NACE International members can enjoy accelerated transactions, greater vehicle choice and personalized recognition while renting across our nationwide network.

As part of this program, we recognize and reward frequent business renters with more efficient form of membership:

### **Enterprise Plus – Counter Service**

At most major U.S. airport locations, members with a car reservation can bypass the standard rental counter and proceed to the Enterprise Plus designated rental counter to receive personalized service for their membership profile.

### **Faster Reservation**

Enterprise Plus provides all of the required information during the reservation process for your car rental reservation. You can book thru the website Enterprise.com®, over the phone at our dedicated reservation line, with a travel agent or at any of our 7,800 travel locations.

### **Personal Profile Management**

Members can view their past rental history online. Members can also update their profiles with new credit card information to make the rental process more seamless.

### **Additional Benefits**

A dedicated toll-free reservation and member services hotline is available to all Enterprise Plus members.
