

AMPP Central Conference Attendee Justification

September 8-10, 2025 | Odessa, TX | Odessa Marriott Hotel and Conference Center

Connect, Explore, Innovate at AMPP Central Conference

Help shape the future of the industry in the Permian Basin and beyond.

The Permian Basin is a hub of innovative solutions and emerging trends in corrosion prevention and materials performance. Join us for three days of elevated discussions, technical presentations by industry leaders, and social events where we can connect with colleagues—all focused exclusively on solving the challenges we face in the Central region.

Top 5 Reasons to Attend:

-  A robust technical program that explores specific Central challenges
-  Cutting-edge products and solutions demonstrated in the exhibit hall
-  10 Professional Development Hours awarded after the conference
-  Two nights of fun social events included with registration!

Make Your Investment Count

In post-convention surveys, attendees say they learned skills that help them perform better on the job. Companies that send employees to AMPP Central benefit from these skills. Plus, companies get **special group pricing** when they register ten or more employees!

Sending employees to AMPP Central can deliver results:

- **Knowledge transfer** – Attendees bring back valuable insights to share with the team.
- **Improved performance** – Attendees explore solutions and best practices that help them perform better in the field.
- **New connections** – Meet potential new partners, clients, and suppliers.

It pays to attend AMPP Central Conference!
