

AMPP Central Conference 2025

September 8–10 | Odessa, Texas

Final Program Sponsor:

Complete Cathodic Protection Services:

- Compliance Surveys
- Rectifier Influence Studies
- Engineering Design & Analysis
- Material Sales
- Construction Installations

Field Services Division:

- CP System Troubleshooting
- AC Mitigation Materials & Installation
- Deep & Shallow Beds
- Corrosion Rate Monitoring Systems
- Test Station / Bond Station Installation
- Annual Inspection & Maintenance Surveys

Research & Development:

- In-house R&D ACCI Corrosion Laboratory
- Innovative Technologies Created to Advance the Corrosion Industry
- Extensive Testing and Data Collection Capabilities

Waterworks Division:

- Complete Turn Key Systems
- Impressed & Sacrificial Current
- Annual Inspection & Maintenance Programs
 - Water Storage Tanks
 - Treatment Facilities
 - Underground Pipelines
 - Under Tank Bottoms

Featured Product: Cold Solder Wire Attachments

This is a method of attaching wires to a buried metal pipeline without using typical methods that generate heat on the pipeline during wire attachment. There is a need to have an alternative to thermo-welding or brazing in specific instances when use of heat related wire attachment is unsafe or undesirable.

**FEATURES**

This alternative method of pipeline wire attachment consists of a pre-manufactured metal saddle constructed with a factory attached silver soldered wire and embedded neodymium magnet. The saddle is then placed on the prepared pipeline with conductive epoxy to provide a "cold solder" wire connection that is strong and permanent.

**Arizona Office**

WELCOME

AMPP Central Conference 2025

Hello and Welcome to the 2025 AMPP Central Conference!

On behalf of the AMPP Central Conference Committee, it is my pleasure to welcome you to the 2025 AMPP Central Conference here in Odessa, Texas, the heart of the Permian Basin and a hub for oil and gas innovation.

This year's event is truly special. It is the only AMPP area conference taking place in the United States in 2025, and we've designed it to be unlike any you've attended before. Over the next two days, you'll experience a rich technical program tailored to the challenges and opportunities shaping our industry today. With three tracks of sessions covering Cathodic Protection and Interference, Coatings, Asset Integrity, Inhibitors, Inspection and Regulation, and even Artificial Intelligence, there is something here for every operator, engineer, vendor, supervisor, and technician.

We're also proud to bring you six engaging general sessions, including a keynote address from the Chairman of the Railroad Commission of Texas, a Workforce Development Panel, and a roundtable lunch discussion highlighting those working in the field. In addition, our hands-on Rectifier School offers a unique opportunity to expand your practical knowledge.

Of course, no AMPP event would be complete without networking and community. This year, you'll enjoy the Permian Clay Shoot, a BBQ & Cornhole Social Event, the Welcome Reception, and our Exhibit Hall Happy Hours—all designed to connect you with colleagues, customers, and new friends in a welcoming environment. And what better setting is there than the new Odessa Marriott Hotel & Conference Center, right in the heart of West Texas.

The Central Area has grown into a strong AMPP family, and this conference is a reflection of our shared commitment to advancing knowledge, building connections, and supporting the industries that keep our communities moving. I encourage you to take full advantage of the sessions, conversations, and experiences that await you here in Odessa.

Thank you for joining us—we are glad you're here.

Sincerely,

Dean Lioliou
Conference Chair
AMPP Central Conference

CONFERENCE COMMITTEE

Conference Chair

Dean Lioliou, Seal For Life

Exhibit & Sponsorship Chair

Chad Fincher, ONEOK

Education Chair

Kevin Simpkins, Champion Corrosion

Marketing & Social Media Chair

Derrick Clark, Dean Service

Chapter Event Chair

Adam Perkins, NVI LLC

Technical Program Chair

Cal Chapman, Chapman Engineering

Technical Committee

David Bastidas, Rosen
Eddy Bizzell, ExxonMobil
Peter Bock, Performance Polymers Americas, LLC
Louis Deherrera, Phillips 66
Jadon Guynes, ONEOK
Joe Gallo, CPS
Jeremy Ledgewood, Trophy Integrity Services
Justin Thatcher, Phillips 66

Exhibit Hours

Move In:

Monday, 12:00 – 5:00 PM

Exhibit Hours:

Monday 5:00-7:00 PM
Tuesday, 8:00 AM – 5:30 PM
Wednesday, 8:00 AM – 12:00 PM

Move Out:

Thursday, 12:00 – 2:00 PM

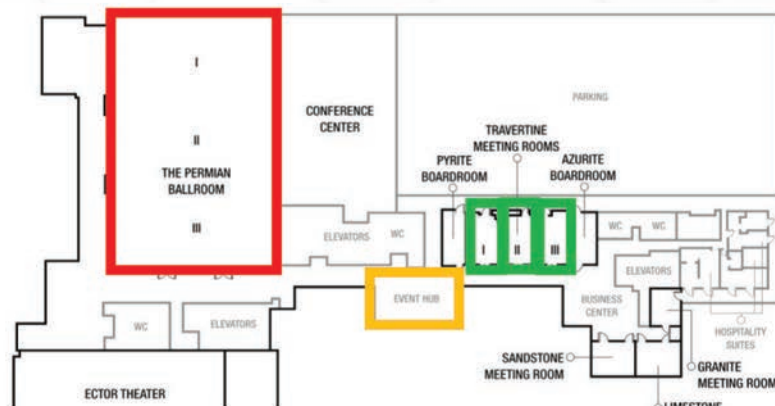

Registration Hours

Monday, 12:00 – 5:00 PM
Tuesday, 7:00 AM – 5:00 PM
Wednesday, 7:00 – 10:00 AM

Sponsored by:

HOTEL MAPS

Explore AMPP Education at the Central Conference

Stop by the AMPP Education booth to experience the innovative tools shaping the future of industry training. This interactive space is designed to promote engagement and give you a glimpse into the next generation of AMPP educational offerings.

Don't miss this opportunity to see where education is headed and how you can be part of shaping it.

Be the FBE Expert Everyone Trusts.

When it comes to pipeline integrity, coatings aren't just a layer—they're the last line of defense. One flaw in a **Fusion Bonded Epoxy (FBE)** coating can shut down an entire operation. That's where *you* come in.

Fusion Bonded Epoxy (FBE): Application and Inspection

AMPP's new hands-on training and Level 1 certification is built *for* applicators and inspectors, *by* experts who know the real-world demands of the field. From surface prep to final inspection, this program teaches you how to spot what others miss—and prevent failures before they happen.

- Learn the critical checkpoints that determine coating success
- Gain confidence with hands-on inspection and testing during the application process
- Stand out with a certification that proves you're ready for the toughest jobs

You know what's at stake. This is how you lead.

Train with AMPP. Inspect with authority.

Scan the QR code to get started.

FEATURED SPEAKERS

TUESDAY, SEPTEMBER 9

Welcome Address

8:00 AM

Cindy O'Malley, Chief Product and Operations Officer, AMPP

Lunch Keynote

11:45 AM

Energy Policy and Regulatory Update

Jim Wright, Chairman, The Railroad Commission of Texas

The Energy Sector and AMPP

3:50 PM

WEDNESDAY, SEPTEMBER 10

Workforce Development Panel

8:45 AM

Mark Piazza, API; Jennifer Rogers, AMPP; David Bastidas, Rosen; Dr. Hector Yanez, Tees, Texas A&M Engineering Experiment Station

Lunch Roundtable

12:15 PM

Fieldwork: Where Strategy Meets Steel

David Bastidas, Rosen; Van Cambron, Recently Retired from Energy Transfer; Cal Chapman, Chapman Engineering; Mill Jawed, Mobiltex; Kris Jones, Enterprise Products; Michael Wright, Energy Transfer

Featured Speaker: Oil & Gas, the Economy, & You

1:45 PM

Karr Ingham, President and former Economist, of The Texas Alliance of Energy Producers

Closing Keynote: We Are Permian Basin—Overcoming Fear to Meet Success

2:00 PM

David Arrington, Owner & Operator, Arrington Oil

NETWORKING & SPECIAL EVENTS

Welcome Reception in the Exhibit Hall

Monday, September 8 | 5:00 – 7:00 PM.

Sponsored by:

Welcome Breakfast in Devonian Ballroom Foyer

Tuesday, September 9 | 7:00 – 8:00 AM

Networking Break

Tuesday, September 9 | 9:45 – 10:15 AM

Sponsored by:

Keynote Lunch in Devonian Ballroom

Tuesday, September 9 | 11:45 AM – 1:00 PM

Sponsored by:

Networking Break

Tuesday, September 9 | 2:30 – 3:00 PM

Sponsored by:

Happy Hour in the Exhibit Hall

Tuesday, September 9 | 4:30 – 5:30 PM

Sponsored by:

Boomtown Bag Throwers BBQ and Cornhole Event

Tuesday, September 9 | 5:45 – 8 PM

Separate ticket required. See Registration for more details.

CONFERENCE SCHEDULE

MONDAY September 8

8:00 AM – 5:00 PM RECTIFIER COURSE—Travertine I <i>Separate registration required</i>		
7:00 AM – 3:00 PM AMPP PERMIAN CHAPTER CLAY SHOOT—Off-site <i>Separate registration required</i>		
3:00 – 5:00 PM CENTRAL AREA TASK FORCE MEETING —Travertine II		
5:00 – 7:00 PM OPENING RECEPTION—Exhibit Hall <i>Sponsored by Lindsay Corporation</i>		

TUESDAY September 9

7:00 – 8:00 AM WELCOME BREAKFAST—Devonian Ballroom			
8:00 – 8:50 AM WELCOME ADDRESS —Devonian Ballroom <i>Cindy O'Malley, Chief Product and Operations Officer, AMPP</i>			
CP & Interference Track Travertine I		Coatings & Other Materials Track Travertine II	Asset Integrity Track Travertine III
9:00–9:45 AM	Monitoring Cathodic Protection System Measurements Using SCADA Communications <i>Jamey Hilleary, Lindsay Corporation</i>	Non Shielding Below Grade Insulative Coating System <i>Arin Shahmoradian, SPI Coatings</i>	What Does Typical Laboratory Testing Reveal About a Lining's Suitability for Immersion Service? <i>Darryl Corbin, Sherwin-Williams</i>
9:45 – 10:15 AM NETWORKING BREAK—Exhibit Hall <i>Sponsored by Mobiltex</i>			
10:15–11:00 AM	Advanced Remote Monitoring Solutions: Merging High-Frequency Data Logging with Edge Computing for Enhanced Cathodic Protection Analysis <i>Ivano Magnifico, Byautoma</i>	Reducing Risk & Avoiding CUI Failures: From Bench to Real World Learning <i>Surojit Mukherjee, AkzoNobel</i>	Data-Driven Integrity for Unpiggable Pipelines: Leveraging Large Standoff Magnetometry and Virtual ILI <i>Arash Ilbagi, Rosen</i>
11:00–11:45 AM	Mitigating AC/DC Interference: Advanced Corrosion Detection and Protection Strategies for Pipelines <i>Ian Kinner & Christian Cartwright, GPT Industries</i>	Internal Pipe Lining: Extending the Life of Pipelines Using Compression-Fit High-Density Polyethylene (HDPE) <i>Miles Venzara & Cordell Brown, United Pipeline Systems</i>	Effective and Economical Chemical Management of SWD Facilities <i>Jodi Wrangham, Baker Hughes</i>
11:45 AM – 1:00 PM KEYNOTE LUNCH: ENERGY POLICY AND REGULATORY UPDATE—Devonian Ballroom <i>Jim Wright, Commissioner of the Texas Railroad Commission</i> <i>Sponsored by: Jacam Catalyst</i>			
CP & Interference Track Travertine I		Coatings & Other Materials Track Travertine II	Asset Integrity Track Travertine III
1:00 – 1:45 PM	Linear Anodes: When to Use Them on Poorly Coated Pipelines <i>Dean Lioliou, Anodeflex</i>	Surface Preparations, the Starting Point <i>John Glass, MontiPower</i>	The Threat of Hard Spots—An Evolving Understanding <i>Jonathan Chu, Rosen</i>
1:45 – 2:30 PM	Is It Yours or Mine? Mastering Influence & Interference Studies <i>Cole Finney, American Innovations</i>	Rehabilitation of UV Degraded FBE Coating <i>Nickey Zafiris, KTA-Tator</i>	Electrical and Facility Safety <i>Cal Chapman, Chapman Engineering</i>

2:30 – 3:00 PM NETWORKING BREAK—Exhibit Hall Sponsored by: BK Corrosion			
CP & Interference Track Travertine I		Coatings & Other Materials Track Travertine II	Asset Integrity Track Travertine III
3:00 – 3:45 PM	Corrosion Under Insulation (CUI): Evolving Strategies in Detection, Inspection, and Smart Monitoring Technologies Phil Yule, CorrosionRadar	Coatings for Oil & Gas Infrastructure in Arid Environments Anthony Leidelmeyer, Farwest Corrosion	Corrosion Control in Gas Phase Pipelines Containing Oxygen John Barnes, Sutton Garlick, Geeta Rana, SLB
3:50 – 4:30 PM THE ENERGY SECTOR AND AMPP—Devonian Ballroom Tim Gonzalez, Vice President—Energy Sector, AMPP			
4:30 – 5:30 PM HAPPY HOUR—Exhibit Hall Sponsored by Permian Coating Supply			
5:45 – 8:00 PM BOOMTOWN BAG THROWERS BBQ & CORNHOLE EVENT Sponsored By: Farwest Corrosion Control, Abrasives, Inc., US Minerals, Fig Tree Energy Services; Bass Engineering, American Innovations; Endura Products Corp; The HR Group; Jennings Anodes Separate registration required			
WEDNESDAY September 10			
8:00 – 9:00 AM WEDNESDAY WAKE-UP WITH EXHIBITORS—Exhibit Hall NETWORKING BREAKFAST Sponsored By: Sherwin-Williams			
8:45 – 10:15 AM WORKFORCE DEVELOPMENT PANEL— Devonian Ballroom Mark Piazza, API; Jennifer Rogers, AMPP; David Bastidas, Rosen; Dr. Hector Yanez, Tees, Texas A&M Engineering Experiment Station			
10:15 – 10:45 AM NETWORKING BREAK—Exhibit Hall			
Inhibitors Track Travertine I		Detection, Inspections, & Regulations Track Travertine II	Artificial Intelligence Track Travertine III
10:45 – 11:30 AM	Challenges in Laboratory Qualification of Corrosion Inhibitors for Oilfield Applications Milan Bartos, Intertek	Dual Data Captured via Close Interval Potential Survey Hongbo Ding, Fluor Technologies	AI Exponential Growth Forecast-What Effects Will This Have on AC Interference in Our ROW's Charles Poore, MESA products
11:30 AM – 12:15 AM	VCI Economics in Oil & Gas Applications & Regulatory Update Kelly Baker, NTIC	Smart Pipes, Smarter Workers: Troubleshooting CP Systems With RMUs Mill Jawed Mitigating AC/DC	Determining Pipeline Corrosion Criticality and Remaining Life More Definitively Using Expert Guided AI Rabindra Chakraborty, Senslytics Corporation
12:15 – 1:30 PM LUNCH ROUNDTABLE DISCUSSION FIELDWORK: WHERE STRATEGY MEETS STEEL—Devonian Ballroom David Bastidas, Rosen; Van Cambron, Recently Retired from Energy Transfer; Cal Chapman, Chapman Engineering; Mill Jawed, Mobiltex; Kris Jones, Enterprise Products; Michael Wright, Energy Transfer			
1:30 – 2:00 PM FEATURED SPEAKER:CURRENT/FUTURE ECONOMIC STATE OF THE INDUSTRY & YOUR PART IN IT!—Devonian Ballroom Karr Ingham, President and former Economist, of The Texas Alliance of Energy Producers			
2:00 – 2:30 PM CLOSING KEYNOTE: WE ARE THE PERMIAN BASIN—OVERCOMING FEAR TO MEET SUCCESS—Devonian Ballroom David Arrington, Owner & Operator, Arrington Oil

Houston, we have a conference!

We're bringing AMPP
Annual Conference + Expo
home to Houston in 2026!

Space City is mission control for our global headquarters, and we're excited to welcome you to our hometown.

Join us for:

- Technical sessions featuring the latest corrosion and coatings protection technologies.
- The largest global gathering of industry pros and experts, all in one place.
- Networking opportunities to launch your career to new heights!

Save the date and get ready for liftoff!

SAVE THE DATE

AMPP Annual Conference + Expo 2026
Houston, TX, United States
March 15-19, 2026

POLICIES AND PROCEDURES

Code of Ethics

THE FUNDAMENTAL PRINCIPLES

Members uphold and advance the integrity, honor, and dignity of the members' profession by:

- Using their knowledge and skill for the enhancement of human welfare.
- Being honest and impartial, and serving with fidelity the public, their employers, and clients.
- Striving to increase the competence and prestige of the materials protection and performance profession.

THE FUNDAMENTAL CANONS

1. Uphold the safety, health, and welfare of the public in the performance of their professional duties.
2. Represent areas of competence and build reputation based on merit of services.
3. Strive for continuous professional development and foster development of others in field.
4. Serve in professional matters for AMPP, employer, and/or client as faithful agents or trustees and shall avoid conflicts of interest.
5. Members shall associate only with reputable persons or organizations.
6. Members shall issue public statements only in an objective and truthful manner.
7. Act with integrity and honesty in all professional endeavors and be forthcoming with concerns of unethical behaviors.
8. Foster behaviors of respect, value diversity of our members, staff, partners, customers, and suppliers, and strive to promote recognition and participation by individuals regardless of differences.
9. Harassment, including but not limited to cultural, religious, or sexual, by or against any employee, member, officer, director, or other volunteer, vendor, or customer; and such conduct will not be permitted or condoned.

Anti-Harassment Policy

AMPP is committed to providing an environment free of sexual harassment (which includes harassment based on gender, pregnancy, childbirth, or related medical conditions), as well as harassment based on such factors as race, color, religion, national origin,

ancestry, age, physical disability, mental disability, medical condition, marital status, sexual orientation, gender identity, gender expression, workers' compensation leave, veteran status, or any other condition or characteristic protected by law. We expect all participants to abide by this Anti-Harassment Policy in all venues at AMPP Central Conference, including ancillary events and official and unofficial social gatherings.

- Exercise consideration and respect in your speech and actions.
- Refrain from demeaning, discriminatory, or harassing behavior and speech. Be mindful of your surroundings and of your fellow participants.
- Alert AMPP staff if you notice harassment. If you are being harassed, notice that someone else is being harassed, or have any other concerns, please contact Kristie Saber +1 281-228-6206 on-site immediately.

Alcohol and Drug Policy

AMPP and the AMPP Global Center are committed to the health and well-being of its staff, members, customers, event participants, and vendors. This Policy addresses the availability and consumption of alcoholic beverages at AMPP affiliated events. Those who choose to drink alcoholic beverages at AMPP-affiliated events are expected to do so legally and in moderation and are expected to act responsibly and behave professionally.

The sale or distribution of alcoholic beverages at any AMPP affiliated event must be conducted through a licensed provider. Non-alcoholic beverages are required at all affiliated events at which alcohol is served. Alcohol should cease being served to allow for safe consumption before the designated time for close of the function. Non-alcoholic beverages may remain available at this time. Advertisements shall not highlight the availability of alcohol at any affiliated event. Advertising shall not promote consumption of alcohol.

International Communities are not covered under AMPP insurance programs and should conform to all applicable regulations. Appropriate insurance coverage is recommended. Those International Communities not explicitly covered under AMPP insurance programs must indemnify and hold harmless AMPP for any

and all sponsored events where alcohol is distributed and consumed. For all affiliated events where alcohol is available, the sponsoring group will endeavor to establish agreements establishing reciprocal indemnification and hold harmless responsibilities and insurance requirements with the venue.

Any member, sponsor, vendor or exhibitor at an affiliated event wishing to sell or distribute alcohol must conform to this Policy and any other directives made by AMPP staff.

The use of alcoholic beverages or other controlled substances by any member, sponsor, vendor or exhibitor at an AMPP affiliated event shall comply with federal, state and local laws. Members, staff, vendors and customers at AMPP affiliated events shall conform to this Policy and all other applicable policies, including, but not limited to, the Code of Ethics and Health, Safety, and Risk Management, current versions of which are incorporated herein by reference.

Individuals who violate this Policy may be subject to the disciplinary procedures, including, but not limited to, suspension or loss of membership, disbarment from future AMPP affiliated events and/or other sanctions as deemed appropriate. Communities or other AMPP affiliates who violate this Policy may be subject to the disciplinary procedures, including, but not limited to, suspension or loss of affiliation, disbarment from future affiliated events and/or other sanctions as deemed appropriate by the Association or Center Board of Directors. Violations of this Policy may be addressed by the Association or Center Board of Directors or the Ethics and Professional Practice Committee, at its sole discretion.

Minor Policy

Children under the age of 15 are not permitted at Central Conference. Children over the age of 15 must be registered as guests and always wear badges while in the convention center. To accommodate nursing mothers, the following will apply:

1. Nursing infants will be allowed in the Exhibit Hall during show hours only and must always be carried by a registered AMPP attendee either in his or her arms or in a front baby carrier (NO STROLLERS PERMITTED). Everyone who attends the exhibition must be registered and have a badge. Badges

for minors 15 and older are free and available on site at the registration desk. Minors between 15 and 18 years of age must be accompanied by an adult at all times. Guardians are asked to help maintain a professional, disturbance-free exhibition environment.

2. Meetings and technical presentations: To provide all AMPP attendees an optimal learning environment, minors and guests are not permitted in technical presentations. Those attending these sessions must be registered for the conference and show the appropriate badge.

Mobile Phone Policy

As a courtesy to the speakers and your fellow attendees, please turn off all mobile phones during meetings and sessions.

Consent to Use of Photographic Images, Audio and Video Recordings

AMPP may elect to take photographs and/or make audio and visual recordings of the event, and participants grant to AMPP the absolute right and permission to use any such photographs or recordings that may be taken during the event for any purpose in its sole discretion.

Attendees, exhibitors, and visitors to Central Conference are not permitted to make audio or video recordings of sessions, presentations, activities, or other events unless expressly so authorized by AMPP and the subjects of the recording.

Right to Deny or Remove

We reserve the right to deny registration or admission to or remove any party from the conferences, at our sole discretion.

If you have any dietary restrictions, please notify an attendant or a member of the AMPP staff.

In the event of an emergency or major disruption at the event, attendees and exhibitors may call this number to receive information and / or event status. Phone: +1 281-228-6334.
